| Fund #: | 4120.002 | Fund Name: MTP Capital - MTP-Countywide Beltway |
| Fund Center: | 1260110001 | Funded Pgm/Grant: PW.B053318 |
| Description: N. CC215 Bruce Woodbury Beltway, Decatur to N. 5th St | Amount: $599,270 |

Added Comments: N/A

BACKGROUND:

On March 7, 2006, the Board of County Commissioners approved a professional engineering services contract with Carter and Burgess, Inc. for the construction of the Northern Clark County 215 Bruce Woodbury Beltway between Decatur Boulevard and North 5th Street project. Subsequent to that date, Jacobs Engineering Group, Inc. acquired Carter and Burgess, Inc. VTN Nevada (NBE) was a sub-consultant to Carter and Burgess, Inc. on the original professional design engineering services contract, and had substantial design responsibility as a sub-consultant. Therefore, VTN Nevada was chosen to complete the design of the project.

County staff negotiated the attached professional services contract with VTN Nevada, which will provide professional engineering services for the project. VTN Nevada currently holds a Clark County Business License.

The execution of this contract will allow for continuity of design services for the project.

The District Attorney's Office has reviewed and approved the contract as to form.
