BACKGROUND:

Clark County Public Works is planning to construct the Erie Avenue Pedestrian Bridge which begins at Rainbow Boulevard, extends in the Erie Avenue alignment over the Union Pacific Railroad (UPRR) tracks, and touches down near Windy Desert Street next to the Desert Oasis High School.

The purpose of the Erie Avenue Pedestrian Bridge project is to provide for the safety of students by providing access from the Mountains Edge residential area over the UPRR tracks to the Desert Oasis High School.

County staff negotiated the attached interlocal agreement with the Clark County School District (CCSD), which gives the County permission to access CCSD property for the purpose of constructing, accessing, using, and maintaining a concrete ramp, bridge, and stairs for the pedestrian bridge across the UPRR tracks.

The District Attorney’s Office has reviewed and approved the interlocal agreement as to form.

Respectfully submitted,

DENIS CEDERBURG
Director of Public Works
