BACKGROUND:

On December 18, 2012, the Board of County Commissioners approved a pre-qualification list to be used to select professional services for the period of December 18, 2012, through December 31, 2014. The Louis Berger Group, Inc. (Corporation) was selected from the pre-qualification list, Service: Highway Engineering - Urban Arterial Design to provide engineering services for the design of the Bermuda Road, Cabana Drive, and McLeod Drive Resurfacing project.

County staff negotiated the attached professional services contract with The Louis Berger Group, Inc. The contract describes the services to be provided and the stipulated terms, which includes roadway resurfacing improvements for the following:

- Bermuda Road from Hidden Well Road to Sunset Road (not including the intersections)
- McLeod Drive from Tropicana Avenue to Flamingo Road (not including the intersections)
- Cabana Drive from Flamingo Road to Vegas Valley Drive (not including the intersections)
- Paradise Road within the Union Pacific Railroad right-of-way north of Pilot Road
- Sidewalk ramp reconstruction for upgrades to current Americans with Disabilities Act standards.

The Louis Berger Group, Inc. currently holds a Clark County Business License.

Pursuant to Nevada Revised Statute 332.115(1)(b), contracts for professional services are not adapted to award by competitive bidding and, therefore, are exempt from the bidding requirements.
