**BACKGROUND:**

County Public Works is designing improvements to the Tropicana Wash between Palos Verdes Street and Flamingo Road. The Board of Regents of the Nevada System of Higher Education, on behalf of the University of Nevada, Las Vegas (UNLV), would like to have the portion of the improvements between Swenson Street and Flamingo Road enclosed to allow greater use of its property.

County staff negotiated the attached interlocal agreement with UNLV. The agreement specifies the responsibilities of both Clark County and UNLV as they relate to cost participation and maintenance for this project.

The District Attorney's Office has reviewed and approved the agreement as to form.

Respectfully submitted,

---
