BACKGROUND:

According to NRS 244.270, Clark County is authorized to accept the donation of any property for use and benefit to the County. The Sandy Mesquite Valley Development Association (Association) proposes to donate labor, equipment and materials for the design, construction and installation of outfield fencing for the existing ball field at Peace Park in Sandy Valley. Clark County Department of Real Property Management will coordinate the planning, design and construction of the project along with the Association according to the approved project plans. The Association will apply for and obtain all required approvals, permits and inspections for the project. The donor estimates the value of this donation at $13,296.00.

The Department of Parks and Recreation appreciates the generosity of the donor and recommends acceptance of the donation. The agreement has been reviewed and approved as to form and signed by the District Attorney’s Office. Staff recommends approval.

Respectfully submitted,

Jane Pike, Director, Parks and Recreation
