NOTICE OF PROPOSED FEES & CHARGES FOR RECREATIONAL SPLASH PADS

The Clark County Water Reclamation District (District) Board of Trustees will conduct a public hearing to consider amending the District’s Rate Resolution to include recreational splash pads.

Recreational splash pads can discharge a substantial amount of water into the sanitary sewer system. A fee structure has been developed using the average annual flows certified by the equipment manufacturer, then applying a 30% evaporation rate. The connection fee (SDA) is a onetime fee to connect to the sewer system and the sewer service charge is charged annually; both per Equivalent Residential Unit (ERU).

The District’s Board of Trustees will consider adopting Rate Resolution 11-006 to include the definition of a recreational splash pad and the billing calculation.

FY 2010-11 SDA fee $1,942 per ERU // FY 2010-11 annual sewer service charge $213.70 per ERU

A customer with an existing recreational splash pad can receive a sewer service calculation by contacting the District at 668-8044.

A PUBLIC HEARING WILL BE HELD 10:00 A.M, June 21, 2011, in the Clark County Commission Chambers, Government Center, 500 South Grand Central Parkway, Las Vegas, Nevada.

This advertisement is in conformance with the requirements of NRS 318.199 requiring 30 days notice and a 15 day comment period in advance of a public hearing concerning rates and charges.

Business customers are invited to submit questions or comments to the District in advance of the public hearing. If you wish to respond, consider the following two questions:

1. Does the proposed increase impose a direct and significant economic burden upon your business?
2. Does the proposed increase restrict the formation, operation or expansion of your business?

Residential customers are also encouraged to submit questions or comments to the District in advance of the public hearing.

THE DEADLINE FOR WRITTEN RESPONSE (verbal cannot be accepted) IS: May 27, 2011
