That the Board of County Commissioners approve Amendment 1 to the contract with Domingo Cambeiro Corporation (DCC) Architecture, for Architecture Services for the Hollywood Regional Park Aquatics Center; and authorize the Chief Financial Officer or his designee to sign the amendment; or take other action as appropriate.

FISCAL IMPACT:

Amendment 1 represents an increase of $175,000, for a new contract amount of $1,573,950 (4140.000 RP.E0107082.3-1).

BACKGROUND:

This project was previously approved by the Board of County Commissioners on May 20, 2008, and provides professional services for a free standing single story Aquatics Center on the premises of the existing Hollywood Regional Park. The project also includes site development of a minimum of 2 acres, with access to existing parking, and pedestrian access to the existing recreational center/control point.

This amendment will provide for additional services due to changes in the project scope. These changes would include an increase in: parking capacity, square footage of the building, square footage of the outdoor pool and deck area, and the project site acreage.

These modifications and costs were reviewed by the Department of Real Property Management’s staff, and were found equitable for the work involved. The attached Amendment document details the work and costs involved.
