Recommenda­tion:
That the Clark County Water Reclama­tion District Board of Trustees authorize the General Manager to utilize the Clark County Contract for “Hazardous Waste Disposal Services” (Bid No. 601232-08) with H2O Environmental, Inc. (John Bradley, CEO) for the procurement of Hazardous Waste Disposal Services; or take other actions as appropriate. (For possible action)

FISCAL IMPACT:
Fund #: O&M Fund Account  
Fund Center: CCWRD Funds  
Description: Disposal/Cleaning Services  
Amount: Not to Exceed $706,500.00  
Budgeted funds in the amount of $406,500.00 are currently available in the District’s Operations and Maintenance Account. Total expenditures for these services are not-to-exceed $706,500.00 and will be allocated and spent based on approved budgets and availability of funds within the fiscal periods.

BACKGROUND:
The District requires the periodic removal and disposal of hazardous materials and wastes. Additionally, emergency response services are required to assist staff in cleaning up sanitary sewer overflows that may occur in public areas.

On November 5, 2008, the Board of County Commissioners approved the award of contract No. 601232-08 to H2O Environmental, Inc. for “Hazardous Waste Disposal Services” for Clark County. Staff recommends that the Board authorize the General Manager to utilize the Clark County contract with H2O Environmental, Inc. for the procurement of Hazardous Waste Disposal Services. The initial term of Clark County contract ran through June 30, 2009 and included the option to renew for five one-year periods. The District intends to utilize this contract during the current contract year and the remaining renewal period, if exercised by the County.

In accordance with NRS 332.195 (1), a governing body or its authorized representative may join or use the contracts of local governments located within or outside this State with the authorization of the contracting vendor. H2O Environmental has authorized the District to use this contract and take advantage of the lowest bid price. H2O Environmental, a Nevada Business Enterprise, currently holds a Clark County Business License.

This agenda item has been reviewed and approved by the District Attorney’s Office.

Respectfully submitted,

__________________________  
RICHARD MENDES  
General Manager
