**BACKGROUND:**

In accordance with NRS 338.011.2, if the public body or its authorized representative determines that an emergency exists which threatens the health, safety, or welfare of the public, a contract or contracts necessary to contend with the emergency may be let without complying with the requirements of this chapter. If such emergency action was taken by the authorized representative, the authorized representative shall report the contract or contracts to the public body at the next regularly scheduled meeting of the public body.

On May 6, 2014, the County Manager determined an emergency to exist and authorized staff to contract with Data Processing Air Corporation (NBE) to perform services as soon as possible, in order to ensure the continued operation of the Regional Justice Center as well as to protect various building systems and servers housed in this facility.

The attached contract CBE No. 603317-14 provides detailed scope of work related to the temporary rental, replacement and associated costs.
