Issue: Clark County Code Title 16.06.060

Petitioner: Denis Cederburg, Director of Public Works

Recommendation:

That the Board of County Commissioners approve a waiver of Title 16.06.060 – Restriction on streets and times for event, in reference to several events proposed to take place on a portion of Las Vegas Boulevard South between March 15, 2008, through May 25, 2008.

FISCAL IMPACT:

None.

BACKGROUND:

Harrah’s Entertainment, Inc., has several special events planned for the remainder of 2008, which require the issuance of a special events permit pursuant to Title 16.06 of the Clark County Code. Title 16.06.060 does not allow a permit to be granted to use Las Vegas Boulevard South except on Saturdays and Sundays and legal holidays between one hour after sunrise and one hour before sunset. Approval of this waiver will allow the closure of the southbound south-to-east left turn lane located on Las Vegas Boulevard South in front of the Flamingo Las Vegas Hotel during time periods when permits are not allowed by Code. This left-hand turn lane solely services a private road and access area to the Flamingo Las Vegas Hotel. These closures are for the special events listed below to be staged on a private road beginning at 7:00 p.m. and concluding at 12:00 a.m., beginning on March 15, 2008, and ending on May 25, 2008.

Special Events
  • St. Patrick’s Day Weekend -- March 15 -17
  • Cinco de Mayo -- May 3 – 4
  • Memorial Day Weekend -- May 24 – 25

Respectfully submitted,

DENIS CEDERBURG
