BACKGROUND:

Commissioner Sisolak requests that the Board approve a resolution to support federal legislation, the Strengthening the Tenth Amendment Through Entrusting States (STATES) Act. The STATES Act ensures that each State has the right to determine for itself the best approach to marijuana within its borders. The STATES Act contains common-sense guardrails to ensure that states regulating marijuana do so in a manner that is safe and respectful of the impacts on their neighbors. Senator Cortez Masto is the co-sponsor of this federal legislation.

Respectfully submitted,

Yolanda T. King, County Manager
