If the base year and four (4) renewal options are exercised, the total expenditures are not-to-exceed $1,161,200.00 and will be allocated and spent based on approved budgets.

BACKGROUND:

The District utilizes large and intricate pumps and gearboxes that are critical to meeting the effluent discharge requirements set forth in the National Pollutant Discharge Elimination System (NPDES) permit and to support the District’s operational needs. The proper maintenance of these pumps and gearboxes requires an annual contract for qualified labor and access to a specialized machine shop and heavy industrial parts. The contract will include repair, reconditioning, overhaul, and installation services for the pumps, gearboxes, and other related equipment sued in wastewater processing and conveyance.

Invitation to Bid (ITB) No. 180051 for the procurement of Pump and Gearbox Repair and Maintenance Services was advertised on September 21, 2018 in the Las Vegas Review Journal and posted on the District website. On October 11, 2018, five (5) firms submitted bids. The bid results are as follows (the noted “corrections” accounted for mathematical discrepancies found during bid evaluation.)

Agenda Item #
Staff recommends that the bid be awarded to Laron, Inc., as the lowest responsive and responsible bidder.

The following are the pertinent provisions of the contract:
• The term of the contract is from the date of the award through December 03, 2019;
• The contract includes the option to renew for four (4) additional one-year periods;
• This contract includes the District’s option to terminate or suspend for cause or convenience with advance written notice.

In accordance with NRS 332.065, if the governing body or its authorized representative has advertised for or requested bids in letting a contract, the governing body or its authorized representative must award the contract to the lowest responsive and responsible bidder. Laron, Inc. currently holds a Clark County business license.

This agenda item has been reviewed and approved by the District General Counsel.

Respectfully submitted,

Thomas A. Minwegen
General Manager
