BACKGROUND:

In March 2011, Clark County (County) and Clark County School District (CCSD) signed an Interlocal Agreement for the County to install air quality monitoring stations and towers at certain CCSD sites.

In June 2014, the County Department of Air Quality (DAQ) requested the University of Nevada Las Vegas, (UNLV) be allowed to access DAQ's equipment on six (6) CCSD sites to install equipment located on CCSD sites and utilize the data collected for further air pollutant studies. The proposed Interlocal Agreement follows the original terms of the existing agreement, the County is responsible for all electrical costs at the sites and it will expire on February 29, 2016.

This item was presented to the County Long Range Planning Committee on December 18, 2014.

Respectfully submitted,

Jerome A. Stueve, Director
