BACKGROUND:

On August 6, 2012, the State of Nevada received 2012 Emergency Solutions Grant (ESG) funds for the U.S. Department of Housing and Urban Development (HUD). A portion of the award was designated for enhancements to the Homeless Management Information System (HMIS) related to ESG reporting, training, and other eligible HMIS expenses. If funds are not allocated by October 5, 2012, they are subject to recapture and reallocation by HUD.

As the HUD designated HMIS Lead, Clark County Department of Social Service is being requested to receive the award from the State of Nevada to fund these ESG enhancements. Clark County Department of Social Service will allocate funds to Bitfocus, our local HMIS Administrator, to implement these enhancements.

This item has been approved as to form by the Clark County District Attorney’s Office.

Respectfully submitted,

TIM BURCH
Director of Social Service
