Added Comments: None.

BACKGROUND:

Change Order No. 2 was approved by the Board of County Commissioners on October 19, 2010, with Western States Contracting, Inc. for additional work in the construction of Durango Drive between the Southern Beltway and Hacienda Avenue, and Sunset Road between the Southern Beltway and Cimarron Road (Project No. R030701, Bid No. 601234-08). A portion of this cost was for utility conflicts during construction, and at the Board meeting, it was discussed that the County was pursuing reimbursement from the utilities. This is the settlement from those negotiations.

The attached settlement agreement is the result of detailed negotiations with Nevada Power Company d/b/a NV Energy for conflicts incurred during construction with its facilities, per the requirements of the Franchise Agreement. The project has been completed.

The District Attorney's Office has reviewed and approved the settlement agreement as to form.

Respectfully submitted,

DENIS CEDERBURG
Director of Public Works
