Added Comments:
The State of Nevada approves an annual Clark County Advisory Board to Manage Wildlife (CCABMW) budget that covers Administrative Specialist salary of $4,300 annually to create and post agendas, attend 10 meetings, compile meeting minutes, and process travel documents and make arrangements for the Clark County Advisory Board to Manage Wildlife.

BACKGROUND:

NRS 501.260 created county advisory boards to manage wildlife consisting of five or seven members in each county of the state. The seven-member Clark County Advisory Board to Manage Wildlife (CCABMW) serves in an advisory capacity to the Nevada State Board of Wildlife Commissioners by soliciting and evaluating local opinion on matters relating to the management of wildlife in Clark County and the State of Nevada. Pursuant to NRS 501.265 through 501.275, the Board of County Commissioners appoints qualified individuals to the CCABMW who must be residents of Clark County.

There is one vacancy on the CCABMW for a person who is a hunter, trapper, angler or engaged in ranching or farming, due to the relocation of a newly appointed member. The qualified individuals applied for a position on the CCABMW after it was advertised and posted on the County website from July 27, 2018 to August 16, 2018.

Respectfully submitted,

Marci Henson, Director
