That Clark County Board of County Commissioners accept and approve the business impact statement, pursuant to NRS 237, for the proposed ordinance to amend Title 6, Chapters 6.12 of the Clark County Code to add new Section 6.12.600 to define the term "independent massage therapist" and Section 6.12.688 to define the term "massage therapist."

FISCAL IMPACT:

BACKGROUND:

In accordance with NRS 237.080-100, as amended by Senate Bill 488 enacted at the 2005 Session of the Nevada Legislature, a comment period of 15 working days has been provided to businesses likely to be impacted by the proposed rule addressed in this agenda item.

It has been determined that the proposed ordinance as described above does not impose a direct economic burden on businesses. In accordance with NRS 237.080-100 and S.B. 488, attached is a business impact statement that summarizes comments received and addresses the impacts of the proposed ordinance in accordance with State law.

The ordinance was introduced at the Board's January 20, 2009 meeting and a public hearing was scheduled for March 3, 2009 at 10 a.m. The business impact statement has been available for public inspection since the posting of the agenda for this Board meeting in accordance with the Nevada Open Meeting Law.

Staff recommends that the Board accept the Business Impact Statement and conduct a public hearing.

Respectfully submitted,
