BUSINESS IMPACT STATEMENT

The following business impact statement was prepared pursuant to NRS 237.090 to address the proposed impact of an ordinance to amend section 6.130.020 to provide for changes regulating the noise from mobile food vendor vehicles.

1. The following constitutes a description of the number of and manner in which comment was solicited from affected businesses, a summary of their response and explanation of the manner in which other interested persons may obtain a copy of the summary. NRS 237.090(1)(a)

Businesses were contacted through a mailing that included all mobile food vendor businesses operating in Clark County with a license. Additionally, notices were sent to business consultants and community partners via mail. The changes were posted on the Business License website and the following were the responses received to the department.

- Mr. McGreevy responded that the ordinance could negatively impact his business by reducing hours of operation and limiting noise levels in an email to the department on February 3, 2009.

2. The estimated economic effect of the proposed rule on businesses, including, without limitation, both adverse and beneficial effects, and both direct and indirect effects: NRS 237.090(1)(b)

   Adverse effects:
   Not measurable

   Beneficial effects:
   None

   Direct effects:
   Not measurable

   Indirect effects:
   None

3. The following constitutes a description of the methods that the local government considered to reduce the impact of the proposed rule on businesses and a statement regarding whether any, and if so which, methods were used: NRS 237.090(1)(c)

   Possible secondary impacts from limited noise levels and hours of operations are not measurable because the department has insufficient data to project from.

4. The governing body estimates that the annual cost to the local government for enforcement of the proposed rule is: NRS 237.090(1)(d)

   Additional work load for code enforcement and a business license agent to monitor complaints and ensure compliance regarding noise levels of chimes and/or time violations from mobile food vendors. $60,500 per year.
5. (If applicable, provide the following:) The proposed rule provides a new fee or increases an existing fee and the total annual amount expected to be collected is: *NRS 237.090(1)(e)*
Not Applicable

The money generated by the new fee or increase in existing fee will be used by the local government to: Not Applicable

6. (If applicable, provide the following:) The proposed rule includes provisions which duplicate or are more stringent than federal, state or local standards regulating the same activity. The following explains which such duplicative or more stringent provisions are necessary. *NRS 237.090(1)(f)*
Not Applicable
