Recommendation:

That the Board of County Commissioners approve, adopt, and authorize the Chairman to sign the resolution to donate a surplus County animal control vehicle to the City of Ely in White Pine County, Nevada. (For possible action)

FISCAL IMPACT:

- Fund #: N/A
- Fund Center: 1080719000
- Description: Surplus Property
- Fund Name: N/A
- Funded Pgm/Grant: N/A
- Amount: N/A
- Added Comments: N/A

BACKGROUND:

In accordance with NRS Chapter 244.1505 (2) (a), the County may donate commodities, supplies, materials, and equipment that the Board determines to have reached the end of their useful life to various nonprofit organizations or another governmental entity. The donations may be used for any purpose which will provide a substantial benefit to the inhabitants of the County.

During the year, the Department of Finance, Automotive Division has identified one 2008 Ford F350 animal control truck that has reached the end of its useful life for the department and designated as surplus County property. It is requested that this vehicle be donated to the City of Ely in White Pine County for the purpose of providing improved animal control and maintenance while enhancing Nevada's only National Heritage Area near Ely for the citizens of the surrounding area, including thousands of visitors from Clark County annually, who visit Ely and are attracted to the city's recreational and educational opportunities, including fishing and golf tournaments, open road races, and other events. Ely also serves as a substantial stopping point for northern "snowbirds" during their round trips to warm southern Nevada.

Donation of the vehicle to the City of Ely, Nevada, will allow the surplus property to be used to provide improved and enhanced animal control protection for residents and visitors to the city.
