Added Comments: The total value of the contract award is estimated in the amount not to exceed $600,000.00.

BACKGROUND:

This contract is for the supervision and cleanup of the diesel spill in and around the control room of the Spring Mountain Youth Camp. Broadbent & Associates Inc. (NBE) was selected to complete the work.

A Fiscal Directive 6, competitive bidding exception form was generated because Broadbent & Associates, Inc. has a working knowledge of site conditions including, geological make-up, access, and the historical spill located in the area. In addition, Broadbent & Associates Inc., is uniquely familiar with County’s responsibilities to Nevada Department of Environmental Protection (NDEP).

The following are the pertinent provisions of the contract:

- The term of the contract is from April 7, 2015 through April 30, 2017 and includes the County’s option to renew for one, one-year period.
- This contract includes the County’s option to terminate for cause, convenience or default and suspend the contract with advanced written notice.

The Risk Management Department’s and Purchasing staff have reviewed the scope of work, contract language, cost elements and found them to be appropriate for the work to be performed.

The recommendation of award is in accordance with NRS 332.115.1 (b), the competitive bidding process is not required as the services to be performed are professional in nature.

Broadbent & Associates Inc. currently holds a Clark County Business License.
