**Recommendation:**

That the Board of County Commissioners conduct a public hearing regarding the issuance of its "Clark County, Nevada General Obligation (Limited Tax) Flood Control Notes (Additionally Secured by Pledged Revenues) Series 2009," with no more than the principal amount of $150,000,000 outstanding at any time.

**FISCAL IMPACT:**

The debt service on the commercial paper notes and long term bonds will be repaid by proceeds of the one-quarter cent sales tax.

**BACKGROUND:**

At the February 3, 2009, Board of County Commissioners meeting, the Board authorized the County to publish the Notice of Public Hearing. The Notice was published on February 10, 2009, and on February 17, 2009, in a newspaper of general circulation. The Notice of Public Hearing provided notice to the public regarding the time and place that they may have an opportunity to be heard on this matter. The Chairman should open the public hearing, take any public comment and close the public hearing. No action is required to be taken.

Respectfully submitted,

Edward M. Finger, Comptroller
