The Business Associate shall make itself, any subcontractors, employees, or agents assisting the Business Associate in the performance of its obligations under the Contract or Addendum, available to the Covered Entity, at no cost to the Covered Entity, to testify as witnesses, or otherwise, in the event litigation or administrative proceedings are commenced against the Covered Entity, its administrators or workforce members upon a claimed violation of HIPAA, the Privacy and Security Rule, the HITECH Act, or other laws relating to security and privacy.

12. Minimum Necessary. The Business Associate and its agents and subcontractors shall request, use and disclose only the minimum amount of protected health information necessary to accomplish the purpose of the request, use or disclosure in accordance with 42 USC 17935 and 45 CFR 164.514(d)(3).

13. Policies and Procedures. The Business Associate must adopt written privacy and security policies and procedures and documentation standards to meet the requirements of HIPAA and the HITECH Act as described in 45 CFR 164.316 and 42 USC 17931.

14. Privacy and Security Officer(s). The Business Associate must appoint Privacy and Security Officer(s) whose responsibilities shall include: monitoring the Privacy and Security compliance of the Business Associate; development and implementation of the Business Associate's HIPAA Privacy and Security policies and procedures; establishment of Privacy and Security training programs; and development and
implementation of an incident risk assessment and response plan in the event the Business Associate sustains a breach or suspected breach of protected health information.

15. **Safeguards.** The Business Associate must implement safeguards as necessary to protect the confidentiality, integrity, and availability of the protected health information the Business Associate accesses, maintains, creates, retains, modifies, records, stores, destroys, or otherwise holds, transmits, uses or discloses on behalf of the Covered Entity. Safeguards must include administrative safeguards (e.g., risk analysis and designation of security official), physical safeguards (e.g., facility access controls and workstation security), and technical safeguards (e.g., access controls and audit controls) to the confidentiality, integrity and availability of the protected health information, in accordance with 45 CFR 164.308, 164.310, 164.312, 164.316 and 164.504(e)(2)(ii)(B). Sections 164.308, 164.310 and 164.312 of the CFR apply to the Business Associate of the Covered Entity in the same manner that such sections apply to the Covered Entity. Technical safeguards must meet the standards set forth by the guidelines of the National Institute of Standards and Technology (NIST). The Business Associate agrees to only use, or disclose protected health information as provided for by the Contract and Addendum and to mitigate, to the extent practicable, any harmful effect that is known to the Business Associate, of a use or disclosure, in violation of the requirements of this Addendum as outlined under 45 CFR 164.530(e)(2)(f).

16. **Training.** The Business Associate must train all members of its workforce on the policies and procedures associated with safeguarding protected health information. This includes, at a minimum, training that covers the technical, physical and administrative safeguards needed to prevent inappropriate uses or disclosures of protected health information; training to prevent any intentional or unintentional use or disclosure that is a violation of HIPAA regulations at 45 CFR 160 and 164 and Public Law 111-5; and training that emphasizes the criminal and civil penalties related to HIPAA breaches or inappropriate uses or disclosures of protected health information. Workforce training of new employees must be completed within 30 days of the date of hire and all employees must be trained at least annually. The Business Associate must maintain written records for a period of six years. These records must document each employee that received training and the date the training was provided or received.

17. **Use and Disclosure of Protected Health Information.** The Business Associate must not use or further disclose protected health information other than as permitted or required by the Contract or as required by law. The Business Associate must not use or further disclose protected health information in a manner that would violate the requirements of the HIPAA Privacy and Security Rule and the HITECH Act.

III. **PERMITTED AND PROHIBITED USES AND DISCLOSURES BY THE BUSINESS ASSOCIATE.** The Business Associate agrees to these general use and disclosure provisions:

1. **Permitted Uses and Disclosures:**
   a. Except as otherwise limited in this Addendum, the Business Associate may use or disclose protected health information to perform functions, activities, or services for, or on behalf of, the Covered Entity as specified in the Contract, provided that such use or disclosure would not violate the HIPAA Privacy and Security Rule or the HITECH Act, if done by the Covered Entity in accordance with 45 CFR 164.504(e)(2)(i) and 42 USC 17935 and 17936.
   b. Except as otherwise limited by this Addendum, the Business Associate may use or disclose protected health information received by the Business Associate in its capacity as a Business Associate of the Covered Entity, as necessary, for the proper management and administration of the Business Associate, to carry out the legal responsibilities of the Business Associate, as required by law or for data aggregation purposes, in accordance with 45 CFR 164.504(e)(2)(A), 164.504(e)(4)(ii)(A), and 164.504(e)(2)(ii)(B).
   c. Except as otherwise limited in this Addendum, if the Business Associate discloses protected health information to a third party, the Business Associate must obtain, prior to making any such disclosure, reasonable written assurances from the third party that such protected health information will be held confidential pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to the third party. The written agreement from the third party must include requirements to immediately notify the Business Associate of any breaches of confidentiality of protected health information to the extent it has obtained knowledge of such breach. Refer to 45 CFR 164.502 and 164.504 and 42 USC 17934.
   d. The Business Associate may use or disclose protected health information to report violations of law to appropriate federal and state authorities, consistent with 45 CFR 164.502(j)(1).

2. **Prohibited Uses and Disclosures:**
   a. Except as otherwise limited in this Addendum, the Business Associate shall not disclose protected health information to a health plan for payment or health care operations purposes if the patient has required this special restriction, and has paid out of pocket in full for the health care item or service to which the protected health information relates in accordance with 42 USC 17935.
   b. The Business Associate shall not directly or indirectly receive remuneration in exchange for any protected health information, as specified by 42 USC 17935, unless the Covered Entity obtained a valid
authorization, in accordance with 45 CFR 164.508 that includes a specification that protected health information can be exchanged for remuneration.

IV. OBLIGATIONS OF COVERED ENTITY

1. The Covered Entity will inform the Business Associate of any limitations in the Covered Entity's Notice of Privacy Practices in accordance with 45 CFR 164.520, to the extent that such limitation may affect the Business Associate's use or disclosure of protected health information.

2. The Covered Entity will inform the Business Associate of any changes in, or revocation of, permission by an individual to use or disclose protected health information, to the extent that such changes may affect the Business Associate's use or disclosure of protected health information.

3. The Covered Entity will inform the Business Associate of any restriction to the use or disclosure of protected health information that the Covered Entity has agreed to in accordance with 45 CFR 164.522 and 42 USC 17935, to the extent that such restriction may affect the Business Associate's use or disclosure of protected health information.

4. Except in the event of lawful data aggregation or management and administrative activities, the Covered Entity shall not request the Business Associate to use or disclose protected health information in any manner that would not be permissible under the HIPAA Privacy and Security Rule and the HITECH Act, if done by the Covered Entity.

V. TERM AND TERMINATION

1. Effect of Termination:
   a. Except as provided in paragraph (b) of this section, upon termination of this Addendum, for any reason, the Business Associate will return or destroy all protected health information received from the Covered Entity or created, maintained, or received by the Business Associate on behalf of the Covered Entity that the Business Associate still maintains in any form and the Business Associate will retain no copies of such information.
   b. If the Business Associate determines that returning or destroying the protected health information is not feasible, the Business Associate will provide to the Covered Entity notification of the conditions that make return or destruction infeasible. Upon a mutual determination that return or destruction of protected health information is infeasible, the Business Associate shall extend the protections of this Addendum to such protected health information and limit further uses and disclosures of such protected health information to those purposes that make return or destruction infeasible, for so long as the Business Associate maintains such protected health information.
   c. These termination provisions will apply to protected health information that is in the possession of subcontractors, agents, or employees of the Business Associate.

2. Term. The Term of this Addendum shall commence as of the effective date of this Addendum herein and shall extend beyond the termination of the contract and shall terminate when all the protected health information provided by the Covered Entity to the Business Associate, or accessed, maintained, created, retained, modified, recorded, stored, or otherwise held, transmitted, used or disclosed by the Business Associate on behalf of the Covered Entity, is destroyed or returned to the Covered Entity, or, if it not feasible to return or destroy the protected health information, protections are extended to such information, in accordance with the termination.

3. Termination for Breach of Contract. The Business Associate agrees that the Covered Entity may immediately terminate the Contract if the Covered Entity determines that the Business Associate has violated a material part of this Addendum.

VI. MISCELLANEOUS

1. Amendment. The parties agree to take such action as is necessary to amend this Addendum from time to time for the Covered Entity to comply with all the requirements of the Health Insurance Portability and Accountability Act (HIPAA) of 1996, Public Law No. 104-191 and the Health Information Technology for Economic and Clinical Health Act (HITECH) of 2009, Public Law No. 111-5.

2. Clarification. This Addendum references the requirements of HIPAA, the HITECH Act, the Privacy Rule and the Security Rule, as well as amendments and/or provisions that are currently in place and any that may be forthcoming.

3. Indemnification. Each party will indemnify and hold harmless the other party to this Addendum from and against all claims, losses, liabilities, costs and other expenses incurred as a result of, or arising directly or indirectly out of or in conjunction with:
   a. Any misrepresentation, breach of warranty or non-fulfillment of any undertaking on the part of the party under this Addendum; and
b. Any claims, demands, awards, judgments, actions, and proceedings made by any person or organization arising out of or in any way connected with the party's performance under this Addendum.

4. **Interpretation.** The provisions of the Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. This Addendum and the Contract shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule. The parties agree that any ambiguity in this Addendum shall be resolved to permit the Covered Entity and the Business Associate to comply with HIPAA, the HITECH Act, the Privacy Rule and the Security Rule.

5. **Regulatory Reference.** A reference in this Addendum to a section of the HITECH Act, HIPAA, the Privacy Rule and Security Rule means the sections as in effect or as amended.

6. **Survival.** The respective rights and obligations of Business Associate under Effect of Termination of this Addendum shall survive the termination of this Addendum.

IN WITNESS WHEREOF, the Business Associate and the Covered Entity have agreed to the terms of the above written agreement as of the effective date set forth below.
