BACKGROUND:

At the direction of the Board of County Commissioners, grant a waiver of Clark County Code Title 16.06.150 allowing special event permit application be submitted earlier than the 120-day limit to thirteen (13) months. This waiver would allow the County Public Works Department to receive new applications for special events as far as thirteen (13) months in advance of an event from all applicants going forward.

In the interest of ensuring that proper and effective planning be accomplished, this will also waive the 30-day issuance or denial requirement in Title 16.06.140.

This waiver will be in effect until September 4, 2014, or until the efficacy of the 13-month period can be evaluated and the existing County Code amended.

Respectfully submitted,

DENIS CEDERBURG, Director of Public Works
