HOUSING
NRS 278.160 (1) (e)

Clark County fulfills the Housing Plan requirements of Nevada Revised Statutes (NRS) through adoption of its United States Department of Housing and Urban Development (HUD) Consolidated Plan and its Land Use Plans as collected in the Comprehensive Plan.

The HUD Consolidated Plan, a product of Community Resources Management, a division of the Department of Finance, meets HUD requirements for consolidating the application for several grant programs into one submission. The programs include: the Community Development Block Grant, HOME Investment Partnership Act and Emergency Shelter Grant. These programs are intended to accomplish three main goals: secure decent housing, provide a suitable living environment; and expand economic opportunities for low- and moderate-income persons.
