Description: Systems Infrastructure  Amount: $9,000.00

BACKGROUND:

The Information Technology (IT) Department is asking for approval of an amendment to an interlocal agreement, approved by the Board of County Commissioners on May 4, 2010 between Clark County and the State of Nevada, State Gaming Control Board. This agreement will extend the existing agreement for an additional 2 years, covering the period from July 1, 2011 through June 30, 2013.

Clark County’s IT Department administers various business systems and applications, maintains custody of associated databases containing public records, and provides information processing services to the State of Nevada for access to these records. This contract will provide the State of Nevada, State Gaming Control Board, the ability to continue to access specific public records necessary for their business requirements, and will enable the IT Department to bill them for their usage.

The interlocal contract remains in effect until terminated by either party giving sixty (30) days notice.

Respectfully submitted,

Laura Fucci, Chief Information Officer
