BACKGROUND:

Each year Clark County Detention Center personnel have submitted a SCAAP grant information application to the U.S. Department of Justice. The program implements Section 241(i) of the Immigration and Nationality Act to provide financial assistance to states and local governments that are incarcerating undocumented criminal aliens. This will be the twelfth year we have participated in this program.

SCAAP funds must be used for correctional purposes only, subject to the published use of funds list. This award may be used to fund infrastructure renovations at the Clark County Detention Center. Funds may also be used for information technology initiatives and corrections officer’s salaries and overtime.

Respectfully submitted,
