Recommendation:

That the Board of County Commissioners approve the interlocal contract with the State of Nevada, acting by and through its Department of Employment, Training and Rehabilitation, Bureau of Services to the Blind and Visually Impaired Business Enterprises of Nevada, to provide food services at the Clark County Shooting Park; and authorize the Chairman to sign the contract; or take other action as appropriate.

FISCAL IMPACT:

Nevada’s Department of Employment, Training and Rehabilitation will reimburse the County for 60% of the electricity bill for the Shot Gun Center Building Vending Stand, and pay a $10 electricity fee for each vending machine outside the Shot Gun Center Building, but within the Shooting Park. Funds will be deposited into 5410.001-1280120115-437100.

BACKGROUND:

NRS 426.640 states that the State of Nevada Department of Employment, Training and Rehabilitation, Bureau of Services to the Blind and Visually Impaired Business Enterprises of Nevada has the priority of right to operate vending stands (which includes vending machines), in or on any public buildings or properties where the locations are determined to be suitable.

In accordance with this provision, a contract was negotiated to provide food services at the Clark County Shooting Park. The contract will be effective upon approval through December 31, 2011, unless sooner terminated by either party.

The District Attorney’s Office has reviewed and approved the contract as to form, and Parks and Recreation’s staff recommends its approval.

In accordance with NRS 277.180, the parties are authorized to enter into interlocal agreements to perform governmental functions and activities.
