BACKGROUND:

On November 3, 2010, the Board of County Commissioners allocated $14,000 in County grant funds to Boy Scouts of America Las Vegas Area Council for the Scoutreach Urban Outreach Program.

The Scoutreach Urban Outreach Program provides a variety of enriching activities such as team sports, science activities, woodworking, and outdoor trips which are available after-school and during school breaks to six to eighteen-year-old children and youth living in low-income areas in Clark County. Approval of the resolution will enable Clark County to assist the Scoutreach Urban Outreach Program with the costs of salaries and fringe benefits for program leaders and the costs of weekly program supplies used to provide direct services to program participants.

The District Attorney’s Office has reviewed and approved this resolution as to form and Boy Scouts of America Las Vegas Area Council has accepted the terms and conditions contained in the resolution.

Respectfully submitted,

George W. Stevens, Chief Financial Officer
