BACKGROUND:

The Board of County Commissioners (Board) approved zone change request ZC-0237-13 on June 19, 2013 for a future commercial development (James Medical Center). Conditions of approval of the zone change included the developer and/or owner entering into a Development Agreement prior to any permits being issued in order to provide their fair-share contribution toward public infrastructure necessary to provide service. Cimarron Courtyard 1, LLC owns approximately 10.8 acres, in the southwest portion of the Las Vegas Valley scheduled for this development.

In accordance with the provisions of Section 278.0203 of the Nevada Revised Statutes, a Development Agreement must be approved by ordinance.

Staff recommends the Board conduct a public hearing.

Respectfully Submitted,

Nancy A. Amundsen
Director, Department of Comprehensive Planning

SECTION 2

RECITAL OF PREMISES, PURPOSE AND INTENT

2.01 Recitals. This Agreement is predicated upon the following facts and findings:

(a) Statutory Authorization. The County is authorized, pursuant to NRS §278.0201 through 278.0207 and 278.02591 through 278.02598 inclusive, to enter into binding Development Agreements with persons having a legal or equitable interest in real property to establish long range plans for the development of such property.

(b) Ownership Interest. Owner represents that it has, will acquire, or has the right to acquire, fee title ownership of the Subject Property.

(c) County Authorization, Hearing and Ordinance. All preliminary processing with regard to the Planned Community has been duly completed in conformance with all applicable laws, rules and regulations. The County Commission, having given notice as required by law, held a public hearing on Owner's agenda item seeking approval of the form of this Agreement and the execution hereof by the County. At the described meeting, the County Commission found that this Agreement is consistent with the County's plans, policies and regulations, including the County Master Plan, that the Agreement meets the requirements of Title 30 of the Clark County Code, and that the execution hereof by and on behalf of the County is in the public interest and is lawful in all respects. The Development Agreement Ordinance grants to the County the power to enter into and perform Development Agreements and on BCC Date, the County Commission adopted Ordinance No. 0000 approving this Agreement and authorizing the execution hereof by duly constituted officers of the County. Said ordinance took effect on Date of Ordinance. County agrees to record a certified copy of the ordinance as required by NRS §278.0207.

(d) County Intent. The County desires to enter into this Agreement in conformity with the requirements of NRS, and as otherwise permitted by law, and this Agreement to provide for public services; public uses and urban infrastructure; to promote the health, safety and general welfare of the County and its inhabitants; to minimize uncertainty in planning for and securing orderly development of the Planned Community and surrounding areas; to insure attainment of the maximum efficient utilization of resources within the County at the least economic cost to its citizens; and to otherwise achieve the goals and purposes for which the State statute and County ordinance authorizing Development Agreements were enacted.

(e) Owner Intent. In accordance with the legislative intent evidenced by NRS §278.0201 through §278.0207 and §278.02591 through §278.02598 inclusive, authorizing Development Agreements and the intent of the County in adopting an ordinance allowing Development Agreements, Owner wishes to obtain reasonable assurances that Owner may develop the Planned Community in
accordance with the conditions established in this Agreement. Owner acknowledges that there are insufficient public services, which includes facilities and infrastructure, existing or planned at this time. In order to develop the subject property, Owner is willing to enter into this Development Agreement in order to pay Owner's fair share of the costs to provide certain public services, facilities, and infrastructure in the area of this Planned Community. Owner further acknowledges that this Agreement was made a part of the County Record at the time of its approval by the County Commission and that the Owner agrees without protest to the requirements, limitations, or conditions imposed by this Agreement and the Concurrent Approvals.

(f) **Acknowledgment of Uncertainties.** The parties acknowledge that circumstances beyond the control of either party could defeat their mutual intent that the Planned Community be developed in the manner contemplated by this Agreement. Among such circumstances is the unavailability of water or other limited natural resources, federal regulation of air and water quality, and similar conditions. Owner recognizes that water shortages could affect the County's ability to perform its obligations hereunder. Owner further acknowledges and agrees this Agreement does not relieve the Owner from compliance with existing, changed, modified or amended rules regulations, laws, ordinances, resolutions, fees codes, etc., of other governmental agencies. Such rules, regulations, laws, ordinances, resolutions, fees, codes, etc. of governmental entities must be complied with by the Owner and are not locked in nor a part of this Agreement. It is not the intent of the parties nor shall this Section be construed as excusing the County of any obligation hereunder or depriving Owner of any right under this Agreement, which can be performed.

(g) **Provision of Water and Sewer Service.** Owner clearly understands and agrees that, amongst other requirements, water commitment and sanitary sewer system development approval must be obtained from the proper governmental entities namely the Las Vegas Valley Water District and the Clark County Water Reclamation District. Fees and services for such commitments and systems are established by said governmental entities and must be paid and complied with by the Owner in accordance with said governmental entities requirements as amended from time to time. This Agreement or the County does not guarantee or provide the provision of water and sewer services.

2.02 **Incorporation of Recitals.** The foregoing recitals shall be deemed true and correct in all respects with respect to this Agreement and shall serve as the basis for the interpretation of this Agreement.

2.03 **Permitted Uses, Density, Height and Size of Structures.** Pursuant to NRS §278.0201 and the Code, this Agreement must set forth the maximum height and size of structures to be constructed on the Subject Property, the density of uses and the permitted uses of the land. County agrees the Planned Community may be developed to the density and with the land uses set forth in the Land Use and Development Guide/Plan, along with the development standards set forth in the Concurrent Approvals and the Applicable Rules.

SECTION 5

REVIEW AND DEFAULT

5.01 Frequency of Reviews. As required by NRS §278.0205 and the Development Agreement Ordinance, at least once every twenty-four (24) months during the Term of this Agreement, Owner shall provide and County shall review in good faith a report submitted by Owner documenting the extent of Owner's and County's material compliance with the terms of this Agreement during the preceding twenty-four (24) months. If at the time of review an issue not previously identified in writing is required to be addressed, the review, at the request of either party, shall be continued to afford sufficient time for response.

5.02 Opportunity to be Heard. County and Owner shall be permitted an opportunity to be heard orally and in writing before the County Commission regarding their performance under this Agreement in the manner set forth in Development Agreement Ordinance.

5.03 Procedures in the Event of Noncompliance. In the event of any noncompliance with any provision of this Agreement, the party alleging such noncompliance shall deliver to the other in writing a courtesy notice, not less than thirty (30) calendar days prior to declaring a default under this Agreement. The time of notice shall be measured from the date of post mark which may be sent by regular mail.

The courtesy notice shall state the reason for noncompliance, any action necessary to correct the noncompliance, specify the nature of the alleged default and, where appropriate, the manner and period of time in which the noncompliance may be satisfactorily corrected. During the period of time the default letter is pending, the party alleged to be in default shall not be considered in default for the purposes of termination or institution of legal proceedings. If the default is corrected, then no default shall exist and the noticing party shall take no further action. If the default is not corrected within thirty (30) calendar days, the following courses of action shall apply:

(a) County Procedures

(i) Intent to Remedy Noncompliance. After proper notice and the expiration of the above-referenced periods for correcting the alleged default, the Director of Development Services, or his or her designee, may do one or both of the following options:

(1) Immediately direct County staff to recommend that all future zoning, land use, and mapping applications within the Planned Community be conditioned so that the building permits to be issued as a result of those approvals shall not be issued until the default is corrected, or;

(2) Issue a letter providing notice of County's intent to set the matter for hearing before the County Commission. The letter
shall notify Owner of the action taken. In the event the County selects this option, County shall give Owner at least seven (7) business days notice to correct the default before the matter is scheduled for a hearing. The letter notifying Owner of the hearing shall contain the intended hearing date. The seven (7) business days will be measured from the date of the certified mailing of the notice.

(ii) **Hearing Schedule.** If the default is not corrected within the time specified above, the matter shall be scheduled and noticed as required by law for consideration and review by the County Commission on the next available Commission zoning agenda.

(iii) **Review by County Commission.** Following consideration of the evidence presented before the County Commission and a finding based on substantial evidence that a default has occurred by Owner and the default remains uncorrected, the County Commission may authorize the suspension of building permits within the Planned Community or may amend or terminate this Agreement. Termination shall not in any manner rescind, modify, or terminate any Vested Right in favor of Owner, existing or received, as of the date of the termination. Owner shall have twenty-five (25) calendar days after the date of notice of the County Commission’s decision is filed with the Clark County Clerk, Commission Division, to institute legal action pursuant to Sections 5.05 and 5.06 hereof, to determine whether the County Commission abused its discretion in determining whether a default existed and remained uncorrected.

(b) **Owner Procedures**

(i) **After proper notice and the expiration of the above-reference periods for correcting the alleged default, Owner may issue a letter requesting a hearing before the County Commission for review of the alleged default. Upon receipt of the letter, County shall schedule an item to consider the alleged default on the next available Commission zoning agenda.**

(ii) **Review by County Commission.** Following consideration of the evidence presented before the County Commission and a finding based on substantial evidence that a default has occurred by County and remains uncorrected, the County Commission shall direct County staff to correct the default. Owner shall have twenty-five (25) calendar days after the date of notice of the County Commission’s decision is filed with the Clark County Clerk, Commission Division, to institute legal action pursuant to this Section hereof to determine whether the County Commission abused its discretion in determining whether a default existed and remained uncorrected.
(c) Waiver. Failure or delay in giving any notice provided for herein shall not constitute a waiver of any default. Except as otherwise expressly provided in this Agreement, any failure or delay by any party in asserting any of its rights or remedies in respect to any default shall not operate as a waiver of any default or of any such rights or remedies, or deprive such party of its right to institute and maintain any actions or proceeding which it may deem necessary to protect, assert, or enforce any of its right or remedies.

(d) Notices. All notices provided for herein shall be sent to and in the manner provided in Section 7.08 of this Agreement.

5.04 Option to Terminate. After proper notice and the expiration of the above-referenced period for correcting the alleged default, the party alleging the default shall give notice of intent to amend or terminate this Agreement pursuant to NRS §278.0205 (the "Notice of Intent"), with notices sent in the manner provided by Section 7.08 of this agreement. Following any such Notice of Intent, the matter shall be scheduled and noticed as required by law for consideration and review by the County Commission.

5.05 Unavoidable Delay or Default, Extension of Time for Performance. Neither party hereunder shall be deemed to be in default, and performance shall be excused, where delays or defaults are caused by war, acts of terrorism, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, restrictions imposed or mandated by governmental entities, failure of governmental agencies (other than County) to perform acts or deeds necessary for the performance of this Agreement, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations, litigation, or similar matters beyond the control of the parties. If written notice of any such delay is given to County within thirty (30) calendar days after the commencement thereof, an automatic extension of time, unless otherwise objected to by County within ten (10) business days of such written notice, shall be granted coextensive with the period of the enforced delay, or longer as may be required by circumstances or as may be subsequently agreed to between County and Owner.

5.06 Institution of Legal Action. The County and Owner agree that the County would not have entered into this agreement if it were liable for damages under or with respect to this Agreement. Accordingly, the County and the Owner may pursue any remedy at law or equity available for breach, except that neither the Owner nor the County shall be liable to the other or to any other person or entity for any monetary damages whatsoever. Prior to the institution of any legal action, the party seeking legal action must give the thirty (30) day notice of default as set forth in Section 5.03. Following such notice, a public hearing must be held by the County Commission where the allegations will be considered and a decision regarding their merits will be reached. Any judicial review of the County Commission’s decision or any legal action taken pursuant to this Agreement will be heard by a Court under the standard review appropriate to Court review of zoning actions, and the decision of the County Commission shall be overturned or overruled if their decision is clearly arbitrary and capricious. Judicial review of the decision of the County Commission shall be limited to the evidence presented to the County Commission at the public hearing. If a party desires to present new or additional evidence to the Court, they may petition the Court to remand the
matter to the County Commission to consider the additional or new evidence. Jurisdiction for judicial review or any judicial action under this Agreement shall rest exclusively with the Eighth Judicial District Court, State of Nevada.

5.07 **Applicable Laws.** This Agreement shall be construed and enforced in accordance with the law of the State of Nevada.
SECTION 6

CONFLICTING LAWS

6.01 Conflicting State or Federal Rules. In the event that any conflicting state or federal laws or regulations enacted after the Effective Date prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the County, this Agreement shall remain in full force and effect as to those provisions not affected, and the conflicting laws or regulations shall not be applied retroactively, and:

(a) Notice and Copies. Either party, upon learning of any such matter, will provide the other party with written notice thereof and provide a copy of any such law, regulation or policy or an account of any such action or inaction together with a statement of how any such matter conflicts with the provisions of this Agreement; and

(b) Modification Conferences. The parties shall, within thirty (30) calendar days of the notice referred to in the preceding subsection, meet and confer in good faith and attempt to modify this Agreement to bring it into compliance with any such federal or state law or regulation, or accommodate any such action or inaction.

6.02 County Commission Hearings. In the event the County believes that an amendment to this Agreement is necessary pursuant to this Section 6 due to the effect of any federal or state law or regulation, the proposed amendment shall be scheduled for hearing before the County Commission. The County Commission shall determine the exact nature of the amendment or suspension necessitated by such federal or state law or regulation or action or inaction. Owner shall have the right to offer oral and written testimony at the hearing. Any suspension or modification ordered by the County Commission pursuant to such hearing is subject to judicial review as set forth in 5.06. The parties agree that any matter submitted for judicial review shall be subject to expedited review in accordance with Rule 2.15 of the Eighth Judicial District Court of the State of Nevada.

6.03 Cooperation in Securing Permits. The County shall use its best efforts to cooperate with Owner in securing any County permits, licenses or other authorizations which may be required as a result of any amendment or suspension resulting from actions initiated under this Section 6. Owner will be responsible to pay all applicable fees in connection with securing of the permits.
SECTION 7

GENERAL PROVISIONS

7.01 Enforcement and Binding Effect. Subject to the limitations of NRS §278, this Agreement is enforceable by either party in accordance with its terms notwithstanding any change (which, except for this Agreement, would otherwise be applicable) in any of the Applicable Rules. Nothing in this Agreement shall prevent the County from increasing "cost based fees" which are deemed to be administrative fees for issuance of land use approvals, building permits, plan checks, or inspections which are based upon actual costs to the County and which are uniformly applied to all development and construction subject to the County's jurisdiction. "Cost based fees" do not include the fees addressed in Section 4.01 of this Agreement.

7.02 Duration of Agreement. The Term of this Agreement shall commence upon the Effective Date and shall expire on the eighth (8th) anniversary of the Effective Date unless extended by written agreement executed by County and Owner.

7.03 Assignment.

(a) Transfer Not to Relieve Owner of its Obligation. Except as expressly provided herein, no assignee or transferee of any portion of the Planned Community within the area covered by a recorded subdivision map shall be subject to the obligations of Owner as to the portion of the Planned Community so assigned or transferred nor be deemed to have assumed all such obligations, and such assignment or transfer shall not relieve Owner of its obligation as to the assigned or transferred portion of the Planned Community.

(b) Transfer to an Affiliate of Owner. The rights of Owner under this Agreement may be freely transferred or assigned to any entity, partnership, or corporation, which Owner controls, or in which Owner has a controlling interest, or which controls Owner; provided, such entity shall assume in writing all obligations of Owner hereunder.

(c) Third Party Assignment.
