Recommendation:

That the Board of County Commissioners approve and authorize the advertising of the intent to enter into an aviation support services operating permit between Clark County and International Aero Services, LLC (Todd Frost, Chief Financial Officer) to provide aviation support services at McCarran International Airport.

FISCAL IMPACT:

County will receive five percent (5%) of Permittee's gross revenues.

BACKGROUND:

International Aero Services, LLC has requested a new aviation support services operating permit (Permit) to provide aviation support services at McCarran International Airport (Airport). The important provisions of this Permit are as follows:

- The term of the Permit commenced on December 1, 2008 and shall continue on a month-to-month basis not to exceed three (3) years. Permit may be terminated, by either party, with thirty (30) days advance written notice.
- Permittee will be allowed to provide to the fixed base operators and private aircraft owners, aircraft cleaning and detailing services on the west side of the Airport, specifically excluding Terminal 1, Terminal 2 and the east side of the Airport.
- Permittee agrees to pay County five percent (5%) of its gross revenues for all services conducted at the Airport.

This Permit has been signed by an authorized representative of International Aero Services, LLC and approved as to form by the District Attorney's Office. Following completion of advertising, in accordance with NRS 496.090, this matter will be scheduled for final Board approval on March 3, 2009.

Respectfully submitted,

RANDALL H. WALKER
Director of Aviation
