The Board of County Commissioners wishes to ensure that those businesses, which have been traditionally underutilized are afforded the opportunity to fully participate in the overall procurement process of Clark County. The information will include the name and address of each small, minority, woman or DBE firm, a description of the work to be performed by each named firm, and the dollar value of the subcontract. If CONSULTANT fails to utilize any S/M/W/DBE participation, it will be required to provide documentation demonstrating that it made good faith efforts in attempting to do so.
CONSULTANT shall complete the following statement by checking the appropriate boxes:

CONSULTANT has _x_ not ___ participated in a previous contract subject to the equal opportunity clause prescribed by Executive Order 10925, or Executive Order 11114, or Executive Order 11246.

The Mediator's fee shall be agreed upon prior to mediation. The expenses of witnesses and other mediation preparation costs for either side shall be paid by the party producing such witnesses or making such preparations. All other expenses of the mediation, including fees and expenses of the Mediator, and the expenses of any witness and all the cost of any proofs or expert advice produced at the direct request of the Mediator, shall be borne equally by the parties unless they agree otherwise.

reporting” coverage for a minimum of two (2) years after termination of this contract.

B. All insurance, except for Professional Liability insurance, shall be on an occurrence basis and not a claims made basis.

C. Said policies, except Worker’s Compensation and Professional Liability Insurance, shall name OWNER, Clark County, Nevada, its Commissioners, Officers, Employees, related entities and Authorized Representatives as additional insured’s with respect to liability arising out of the activities by or on behalf of the additional insured in connection with this project. The policies will be primary and any other insurance carried by OWNER and/or CONSULTANT shall be excess and not contributing therewith.

D. Each insurance policy supplied by CONSULTANT (or its subconsultants) must be endorsed to provide that the coverage will not be canceled or materially changed except after written notice has been given to OWNER. CONSULTANT shall provide written notice of any material change, suspension, voiding or reduction in coverage or in limits, of any insurance policy, which provides coverage required by this Agreement and would degrade the coverage and limits required herein. Said notice must be provided per policy provisions. This notice requirement does not waive the insurance requirements contained herein.

E. All required insurance coverage as stated herein will be evidenced by a current ISO (Insurance Services Office) ACORD Form 25 Certificate(s) of Insurance as well as additional insured endorsements. No General Special certificate forms will be accepted. Such Certificates will include, but will not be limited to, the following:

1. All Certificates for each insurance policy are to be signed by a person authorized by that insurer.

2. Each insurance company’s rating as shown in the latest Best’s Key Rating Guide will be fully disclosed and entered on the required Certificates of Insurance. The insurance companies must have a Best Rating of at least A-VII or better in the latest edition of Best’s Insurance Reports. The adequacy of the insurance supplied by CONSULTANT (or its subconsultants) including the rating and financial health of each insurance company providing coverage, is subject to the approval of OWNER, approval of which shall not be unreasonably withheld.

3. CONSULTANT (or its subconsultants) will furnish renewal certificates for the required insurance during the period of coverage required by this Contract.

4. CONSULTANT (or its subconsultants) will furnish renewal certificates for the same minimum coverages as required by this Contract. The notice for renewal will be submitted ten (10) days in advance of the expiration date shown on the Certificate of Insurance. If, within thirty (30) days from the date of expiration, the Certificate has still not been provided, OWNER may declare CONSULTANT (or its subconsultants) in default of its obligations under this paragraph.

5. All deductibles and self-insured retentions greater than $25,000 will be fully disclosed in the Certificates of Insurance. Deductibles/Self-insured Retentions on any policy greater than $25,000 requires approval from the OWNER.

6. The acceptance of any Certificate of Insurance evidencing the required insurance coverage’s and limits does not constitute approval or agreement by Clark County
Department of Aviation that the insurance requirements have been satisfied or that the insurance policies shown in the Certificates of Insurance are in compliance with the requirements. Failure of Clark County Department of Aviation to demand such certificate or other evidence of full compliance with these insurance requirements or failure of the Clark County Department of Aviation to identify a deficiency from evidence that is provided shall not be construed as a waiver of the CONSULTANT’s obligation to maintain such insurance.

7. For any claims related to this Contract, CONSULTANT’s insurance coverage shall be primary. Any insurance or self-insurance maintained by Clark County, its Commissioners, Officers, Employees, related entities, and authorized representatives shall be in excess of the CONSULTANT’s insurance and shall not contribute therewith.

F. Waiver of Subrogation

CONSULTANT hereby grants to OWNER a waiver of any right to subrogation which any insurer of said CONSULTANT may acquire against the OWNER by virtue of the payment of any loss under such insurance. CONSULTANT agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the OWNER has received a waiver of subrogation endorsement from the insurer.

G. Subconsultants

CONSULTANT shall require and verify that all subconsultants maintain insurance meeting all of the requirements stated herein, and CONSULTANT shall ensure that the OWNER is an additional insured on insurance required from subconsultants.

H. Furnishing Insurance Policies

OWNER reserves the right to require CONSULTANT to furnish actual insurance policies for examination by OWNER.

I. Familiarity with Coverages

It is CONSULTANT’s responsibility to familiarize itself with the coverages described in this General Condition.

22. TERMINATION OR SUSPENSION

OWNER may by written notice to CONSULTANT terminate this Contract in whole or in part at any time, either for OWNER’s convenience, or for the default of CONSULTANT. When said termination occurs prior to completion of any phase of this Contract, CONSULTANT shall be paid for the services actually performed during each phase. The amount to be paid CONSULTANT at the time of said termination shall be based on the provisions in Exhibit "C" – Compensation Conditions, insofar as satisfactory services have been rendered in phases which have not been substantially completed and provided that said method of compensation does not exceed extent of work performed. Notice of Termination shall be in writing and sent by certified mail to CONSULTANT.

Upon such termination by OWNER, all data, plans, specifications, reports, estimates, summaries, completed work and work in progress, and such other information and materials as may have
been accumulated by CONSULTANT in performing this Contract shall, in the manner and to the extent determined by OWNER, become the property of (unless prohibited by NAC 623.780) and be promptly delivered to OWNER.

If the termination is attributable to the default of CONSULTANT, OWNER shall have the right to complete such work by whatever method OWNER may deem expedient, including employing another Consultant under such form of agreement as OWNER may deem advisable, or OWNER may perform any part of such work that has been terminated. The expense of so completing such work together with the reasonable charge for administering any agreement for such completion will be charged to CONSULTANT and such expense will be deducted by OWNER from such monies as may be due or may at any time thereafter become due to CONSULTANT. In any case, if such expense exceeds the sum which would have otherwise been payable under this Contract, then CONSULTANT shall be liable for and shall, upon notice from OWNER, promptly pay to OWNER the amount of such excess. If, after termination for default of CONSULTANT, it is determined that CONSULTANT was not in default, the termination shall be deemed to have been a termination at will by OWNER.

OWNER shall have the right to terminate, abandon or suspend all or part of the project at will. If OWNER chooses to terminate all or part of the project, it shall provide CONSULTANT thirty (30) days written notice of its intent to do so. If all or part of the project is suspended or abandoned for more than one hundred twenty (120) days, the same shall be treated as being terminated at will. In the event of a termination at will, CONSULTANT shall receive, in addition to compensation for all of its satisfactory services, which have been rendered, reimbursable expenses and termination expenses which include expenses directly attributable to termination for which CONSULTANT is not otherwise compensated. No amount shall be allowed for anticipated profit on unperformed services.

Upon receipt of notice of termination at will in accordance with the above provisions, CONSULTANT shall:

A. Promptly discontinue all services affected (unless the notice directs otherwise); and

B. Upon receipt of final termination payment deliver or otherwise make available to OWNER all finished or unfinished documents and information which have been accumulated, developed or prepared by CONSULTANT in performing services under this Contract.

Upon any termination of this Contract, OWNER may take over the work and prosecute it to completion by agreement with another party or otherwise after granting CONSULTANT appropriate and acceptable Hold Harmless Agreement for the use of all or portions of its work.

If OWNER wishes to resume all or part of the Project after it has been suspended for more than one hundred twenty (120) days and thereafter CONSULTANT has notified OWNER that it deems the suspension to be a termination at will by OWNER, CONSULTANT compensation shall be equitably adjusted.

23. **SANCTIONS UPON IMPROPER ACTS**

In the event CONSULTANT (or any of its officers, partners, principals or employees acting with its authority) is convicted of a crime involving a public official, arising out of, or in connection with, the procurement of work to be done or payments to be made under this Contract, this Contract shall, at the discretion of OWNER, be terminated. Upon such termination, CONSULTANT shall be paid only for Services performed to the date of termination, and refund shall be made to OWNER for any profits realized by this Contract, and CONSULTANT shall be liable to OWNER for any costs incurred by OWNER over and above the maximum amount payable to CONSULTANT as
set forth in this Contract in completing the Services to be undertaken by CONSULTANT under this Contract. At the discretion of OWNER, the sanctions described in this paragraph shall also be considered applicable to any such conviction after the expiration of the term of the Contract. The rights and remedies set forth herein shall in no way be considered or construed as a waiver of any other rights or remedies available to OWNER under this Contract or at law.

24. **STANDARDS AND CODES**

Wherever references are made in the Contract to standards or codes in accordance with work, which is to be performed or tested, the edition or revision of the standards or codes current on the effective date of this Contract shall apply. Unless otherwise specified, reference to such standards or codes is solely for implementation of the technical portions of such standards and codes.

In case of conflict among any referenced standards and codes or between referenced standards, codes and Exhibit "D" - Technical Specifications, OWNER will determine which will govern.

25. **INSPECTION OF WORK**

All work performed by CONSULTANT shall be properly reviewed by CONSULTANT at its expense, and shall at all times be subject to quality surveillance by OWNER, or its authorized representatives who shall be afforded full and free access to the places of business of CONSULTANT necessary for such quality surveillance during normal business hours. CONSULTANT shall provide safe and adequate facilities, drawings, documents and samples as requested, and shall provide assistance and cooperation including stoppage of its work to perform such examination as may be necessary to assure full compliance with the requirements of this Contract. Neither the failure to make such quality surveillance nor to discover defective workmanship shall relieve CONSULTANT of its obligations under this Contract nor prejudice the rights of OWNER thereafter to reject or require the correction of defective work in accordance with the provisions of this Contract.

26. **OWNERSHIP OF DOCUMENTS AND EQUIPMENT**

All documents, data, studies, surveys, drawings, specifications, maps, field notes, photographs, reports, books and estimates gathered or prepared for or by CONSULTANT and its subconsultants pursuant to this Contract shall be the property of OWNER (unless prohibited by NAC 623.780) without restriction or limitation on their use and shall be made available, upon request at any time. Original copies of such shall be delivered by CONSULTANT to OWNER upon final acceptance or termination of the Services. CONSULTANT shall be permitted to retain copies of such items for the furtherance of its technical proficiency; however, publication of this material is subject to the written approval of OWNER.

Tangible items of non-consumed equipment, materials, supplies and furnishings purchased by CONSULTANT and its subconsultants the costs of which have been reimbursed to CONSULTANT as a direct cost, shall be turned over to OWNER at completion or earlier termination of the Services or otherwise disposed of as directed by OWNER; the proceeds of any such disposal shall be credited to OWNER.

27. **CONSULTANT INGRESS AND EGRESS**

CONSULTANT shall check in with the OWNER whenever visits are made to the project site during design or construction. CONSULTANT’s access to the work area will be permitted only through approaches that will be designated by OWNER, with OWNER escorts, and then only in such manner that CONSULTANT’s traffic will not interfere with OWNER’s operations.
CONSULTANT shall, at all times, be under controlled ingress and egress at the site. CONSULTANT personnel are not to enter into any areas of the job site other than work areas and areas of designated access.

28. PROJECT SIGNS, PUBLICITY, AND ADVERTISING

With the exception of the right reserved by OWNER to erect a sign in connection with the project and unless otherwise provided in the Contract Documents, CONSULTANT shall not display or permit to be displayed on or about the project, any sign, trademark, poster or other advertising device, without prior written approval of OWNER.

CONSULTANT shall not make any announcement or release any information concerning this Contract or the project or any part thereof to any member of the public, press or any official body, unless prior written consent is obtained from OWNER.

29. ENTIRE AGREEMENT

This Contract embodies the entire agreement between OWNER and CONSULTANT. The parties shall not be bound by or be liable for any statement, representation, promise, inducement or understanding of any kind or nature not set forth herein. No changes, amendments or modifications of any of the terms or conditions of the Contract shall be valid unless reduced to writing and signed by both parties.

30. NON-WAIVER

No failure by OWNER to insist upon the strict performance of any provision of this contract or to exercise any right or remedy consequent upon a breach by CONSULTANT thereof, and no acceptance of all or any part of the Services or other action by OWNER preventing the continuance of any such breach shall constitute a waiver of any such breach or any subsequent breach of such provision. In the event OWNER issues a waiver, no such waiver shall be a waiver of any past or future default, breach or modification of any of the conditions of the Contract unless expressly stipulated in such waiver.

31. APPLICABLE LAW

This Contract shall be interpreted under and governed by the law of the State of Nevada. Any litigation shall take place in Clark County Nevada.

32. SUCCESSORS AND ASSIGNS

Neither party may assign its rights and obligations pursuant to this Contract without the written consent of the other parties. The consent of a party to any assignment shall apply only to the incidents expressed and provided for in the written consent, and shall not be deemed a consent to any subsequent assignment.

Subject to the foregoing, this Contract inures to the benefit of, and is binding upon, the successors and assigns of the parties hereto.
33. **SUBORDINATION**

Any and all provisions of this Contract shall be subordinate to:

A. Rights and duties of OWNER to the United States of America under any present or future agreement for the expenditure of funds, operation, maintenance or development of the Airport; and

B. Rights and duties of the United States of America to operate all or part of the Airport under emergency conditions.

34. **SEVERABILITY**

In the event of a determination that any portion of this Contract is invalid or unenforceable, the invalidity or enforceability or any particular provision of this Contract shall not effect the other provisions and this Contract shall be construed in all respects as if such invalid or unenforceable provisions were omitted.

35. **SURVIVABILITY**

The terms and conditions of the Agreement regarding confidentiality, indemnification, warranties, payment, dispute resolution and all others that by their sense and context are intended to survive the expiration of the Agreement, will survive the expiration or termination of the agreement howsoever caused.

36. **GOVERNING ORDER OF CONTRACT DOCUMENTS**

The following Contract Documents constitute the Contract and include various divisions, sections and conditions which are essential parts for the services to be provided by CONSULTANT. A requirement occurring in one is as binding as though occurring in all. They are intended to be complimentary and to describe and provide for a complete scope of work. In case of discrepancy, the following precedence will govern:

A. Contract - Executed Form of Contract with attachments
B. Exhibit "A" - General Conditions
C. Exhibit "B" - Special Conditions
D. Exhibit "C" - Compensation Conditions
E. Exhibit "D" - Technical Requirements
F. Exhibit "E" - CONSULTANT's Proposal
G. Exhibit "F" - Required Contract Provisions

37. **THIRD PARTY BENEFICIARY**

It is specifically agreed between the parties executing the Contract that it is not intended by any of the provisions of any part of the Contract to create for the public or any member thereof, a third party beneficiary or to authorize anyone not a party to the Contract for any purpose including, but not limited to, maintaining a suit for personal injuries or property damage pursuant to the terms or provisions of the Contract.

SPECIAL CONDITIONS

1. CHANGES IN SERVICES

CONSULTANT shall submit detailed information substantiating its impact in sufficient detail to permit thorough analysis and negotiation. The labor unit rates in Exhibit C, Attachment "B" shall be a utilized as a basis for negotiation. The CONSULTANT shall submit to the OWNER for approval, the category of personnel to be utilized for the additional work and a description of the function to be performed. No change shall be implemented by CONSULTANT unless it is approved by OWNER in writing and, unless otherwise agreed to in writing, the provisions of this Contract shall apply to all changes in the Services. If OWNER determines that any change materially affects the cost or time of performance of this Contract as a whole, CONSULTANT and OWNER will mutually agree in writing to an equitable adjustment. Whether the change will be priced as "Lump Sum" or "Hourly, Not to Exceed" will be at the OWNER’s discretion.

CONSULTANT shall proceed diligently with performance of the Services, pending final resolution of any request for relief, dispute, claim, appeal, or action arising under the Contract, and comply with any decision of OWNER. Upon agreement as to the impact of the change or act or omission, the Contract shall be modified accordingly.

2. COMMENCEMENT AND COMPLETION OF WORK

CONSULTANT shall commence performance of the Services under this Contract on the date specified in the formal notice to proceed, and shall furnish sufficient forces, facilities, and shall work such hours necessary so as to prosecute the Work to completion in accordance with the following Contract dates:

CONSULTANT shall give OWNER full information in advance as to its plans for performing each part of the Work. In addition, CONSULTANT shall, within ten (10) calendar days of award of the Contract, submit to OWNER for concurrence a complete and detailed listing of all deliverables and submittals required by the Contract and the anticipated transmittal date of each. CONSULTANT shall notify OWNER in writing of any actual or anticipated delays immediately upon discovery. If at any time, CONSULTANT’s actual progress is inadequate to meet the requirements of this Contract, OWNER may notify CONSULTANT to take such steps as may be necessary to improve its progress. If, within a reasonable period as determined by OWNER, CONSULTANT does not improve performance to meet the Contract Milestone dates set forth above, OWNER may require an increase in CONSULTANT’s labor force, the number of shifts,
overtime operations, and additional days of work per week, all without additional cost to OWNER. Neither such notice nor OWNER's failure to issue such notice shall relieve CONSULTANT of its obligation to achieve the quality of work and rate of progress required by this Contract.

If OWNER determines that the delay was unforeseeable, beyond the control and without the fault or negligence of CONSULTANT, OWNER will determine the duration of the delay and will extend the Contract Deliverable due date accordingly. Such extension shall be the sole remedy for the delay. Delays attributable to and within the control of CONSULTANT's subconsultants of any tier shall be deemed delays within the control of CONSULTANT.

The above submittals will be made to OWNER's Representative, and the submittal periods include a 14-day allowance for OWNER review and comment for each Submittal.

3. **NOT USED**

4. **SUBCONTRACT AGREEMENT TERMS AND CONDITIONS**

Subcontract agreements shall require the same terms and conditions expressed in Exhibits "A" - General Conditions and "B" - Special Conditions of this Contract except for Professional Liability Insurance as described in Exhibits "A" - General Conditions, Article 21.0 Insurance. Subcontract agreements shall require Professional Liability Insurance for services performed by subconsultants licensed to provide professional design services (for example, Architects, Engineers, Land Surveyors, etc.).

5. **WORK LOCATION**

CONSULTANT shall establish an office in the Metropolitan area of Las Vegas, Nevada during the performance of this Contract. The office will be staffed, at a minimum, by the Project Manager, and necessary support personnel to adequately coordinate the design and construction services.

6. **CONSULTANT LIMITATION OF RESPONSIBILITY**

CONSULTANT shall only be responsible for the duties to be performed as set forth in these Contract Documents. CONSULTANT shall not be responsible for the acts or omissions of the construction contractor or construction subcontractor or supplier of any tier, of the employees or agents or any other persons performing any of the construction work which, according to generally accepted construction practices, is the contractor's responsibility, including, but not limited to, the general means and methods of construction, job site conditions, security and safety throughout the entire time and course of construction of the project.

7. **AIRSIDE SECURITY REQUIREMENTS**

CONSULTANT is responsible for itself and all subconsultants to ensure that they comply with all security requirements imposed by OWNER.

CONSULTANT shall at all times conduct all operations under the Contract in a manner to avoid the risk of loss, theft, or damage by vandalism, sabotage or other means to any property. CONSULTANT shall promptly take all reasonable precautions which are necessary and adequate against any conditions which involve a risk of loss, theft or damage to any property. CONSULTANT shall continuously inspect all its Work, materials, equipment and facilities to discover and determine any such conditions and shall be solely responsible for discovery, determination and correction of any such conditions.
CONSULTANT shall prepare and maintain accurate reports of incidents of loss, theft or vandalism and shall furnish these reports to OWNER in a timely manner.

CONSULTANT shall comply with the airport security regulations for the site and all applicable laws and regulations. CONSULTANT shall cooperate with OWNER on all security matters and shall promptly comply with any project security requirements established by OWNER. Such compliance with these security requirements shall not relieve CONSULTANT of its responsibility for maintaining proper security for the above noted items, nor shall it be construed as limiting in any manner CONSULTANT’s obligation to undertake reasonable action as required to establish and maintain secure conditions at the site.

CONSULTANT shall be responsible to obtain from OWNER copies of applicable Airport security regulations and comply therewith, including, if applicable, payment of any vehicle registration or personnel badging costs.

A. OWNER Property

For security purposes, OWNER property is divided into three (3) categories as follows:

1. Landside/Public: The non-secure portion of the Airport;
2. Airside: The Secured Area/Security Identification Display Area (SIDA); and
3. Sterile Areas: The parts of the terminal buildings that require access through a security check point. Note: This is a part of the SIDA.

All CONTRACTOR personnel working on OWNER property, Landside, Airside or Sterile Areas, must be badged for security and identification purposes.

B. Federal Aviation Regulations

49 Code of Federal Regulation (CFR), Part 1542, governing US Commercial Airports’ Security Program requires that security of the Sterile Areas and the Secured Areas/SIDA at McCarran international Airport be maintained at all times. This regulation has a provision for enforcement by the Transportation Security Administration (TSA), which may assess substantial fines ($11,000.00 per occurrence) for potential security breaches or violations of actual security breaches and violations by authorized and unauthorized persons and vehicles entering the Secured Area/SIDA on McCarran International Airport. OWNER will be reimbursed by CONTRACTOR for any fines levied for breaches or violations of security due to CONTRACTOR’s activities or those of any tier subcontractor. At all times, when working on the Airport, regardless of location, CONTRACTOR’s personnel must visibly display above the waist and on their outermost garment the appropriate McCarran International Airport security identification badge. Personal fines of up to $1,100.00 may be assessed by the TSA for security violations.

CONTRACTOR agrees to accept and reimburse OWNER for any fines levied on OWNER by TSA for any violation of any TSA Security Regulations and Rules by CONTRACTOR and its employees or any of CONTRACTOR’s subcontractors, vendors, suppliers and agents and their employees.

CONTRACTOR acknowledges that McCarran International Airport reserves the right to refuse identification badges to any person with a record of arrests and convictions, or
poses a safety or security risk to the Airport, which in its sole judgment would render that person an unacceptable risk to the security of the Airport.

C. Access to the Airport Security Areas

Access to the Airport Secured Area/SIDA/Sterile Area can be gained by personnel displaying a Maroon or Green badge. A Yellow badge is required for all personnel who do not have a Maroon or Green badge. Yellow badge holders must be escorted into the Airport Secured Area/ SIDA/Sterile Area by an individual with unescorted access authority. Yellow badge holders do not have escort authority. The ratio of Yellow badge holders to Green badge holders is five to one (5:1). CONTRACTOR will be allowed access to only those areas necessary to complete the Work.

D. Airport Security Area Work Areas

If a Maroon or Green badge holder enters a part of the Airport Secured Area/SIDA/Sterile Area for which access has not been authorized, CONTRACTOR may be subject to a fine as detailed in Article 8.2.1, and personnel may be subject to immediate and permanent removal, to include security identification badge revocation, from the Airport by OWNER. OWNER also reserves the right to fine the CONTRACTOR $1,000.00 per each violation committed by its employees or any of the CONTRACTOR’s subcontractors, vendors, suppliers, and agents and their employees.

E. Landside/Public Work Areas

CONTRACTOR’s personnel with a Yellow badge can gain access to Landside/Public work areas without escort only as stipulated by OWNER.

8. FAA FINES

CONSULTANT agrees to accept and reimburse OWNER for any fines levied against OWNER by the Civil Aviation Security Field Office for any violation of any FAA Security Regulations by CONSULTANT, its employees or any of its subconsultants, vendors, and agents and their employees.

9. S/M/W/DBE CONTRACT COMPLIANCE REQUIREMENTS

A. S/M/W/DBE Obligation

OWNER will be tracking and verifying the efforts made by CONSULTANT to subcontract with S/M/W/DBE firms.

CONSULTANT will be required to submit the following forms during performance of the Contract so that OWNER may verify S/M/W/DBE participation:
1. Copy of the subcontract and/or purchase order issued to S/M/W/DBE Subconsultant or Vendor with first pay estimate.

3. Attachment C - Monthly S/M/W/DBE Subconsultant/Vendor Information (to be submitted with each pay estimate and after final payment to the S/M/W/DBE Subconsultant or Vendor).

4. 5. Attachment E - Monthly Notification of Change of S/M/W/DBE Firms (to be submitted with monthly pay estimate if a change(s) has been made).

Owner, in turn, will verify the information submitted with the S/M/W/DBE involved through the use of form Attachment B.

10. CONSULTANT CORRESPONDENCE

All CONSULTANT correspondence to OWNER pertaining to this Contract shall be numbered sequentially, grouped by letter or letter of transmittal, commencing with the number 001, signed by CONSULTANT's Authorized Representative. Any correspondence not so numbered or so signed by Authorized Representative shall be returned to CONSULTANT and shall not be recognized as Contract correspondence and shall not be considered to be notice to OWNER of anything and shall not require OWNER to take action or to respond. Documents transmitted electronically must have PDF searchable text.

All CONSULTANT correspondence to OWNER shall be transmitted through OWNER specified system.

11. DRUG AND ALCOHOL TESTING

CONSULTANT acknowledges that it is aware of and is fully informed of CONSULTANT's obligations under 49 CFR, Part 382 of the Federal Motor Carrier Safety Regulations and, where applicable, shall comply with the requirements of such rules and regulations promulgated thereunder unless exempted therefrom.

Without limitation of the foregoing, CONSULTANT's attention is directed to 49 CFR, Part 382, Section 103, entitled "Applicability" which, by this reference, is incorporated herein.

A. Design and Bidding Phase Services

The lump sum prices identified in this section are firm and fixed for the duration of the Services and are not subject to price adjustment for any cause. Payment of the Total for Design and Bidding Phase Services will constitute full payment for performance of the Work and covers all costs of whatever nature including direct costs, taxes, overhead, and profit incurred by CONSULTANT in accomplishing the Work.
B. **Construction and Record Documents Phase Services**

OWNER shall pay CONSULTANT for Construction Services and Record Documents Services based on hourly rates, not-to-exceed (NTE) the amounts identified in the Schedule of Compensation, subject to the provisions set forth below and described in Exhibit "D", Technical Requirements.

CONSULTANT shall be paid Wages and Salaries in accordance with actual hours worked by its production personnel, multiplied by their hourly wage, and actual engagement of salaried personnel as a portion of their salary (not to exceed 100%) on this Project. Timesheets with a general description of the work being performed must be maintained by the hourly and salaried employees and submitted with the Pay Estimate.

CONSULTANT shall not include, and OWNER shall not be obligated to pay, costs that exceed the Total Estimated Cost and Fee for any one Phase, except as provided elsewhere.

C. The following are those costs that are reimbursable under this Contract:

1. **Wages and Salaries for Services that are Billed on an Hourly Basis** – Exhibit “C”, Attachment "B" identifies the maximum hourly wages or salaries for CONSULTANT’s personnel and subconsultant’s personnel anticipated to charge time to this Contract in the performance of the Services. CONSULTANT shall invoice at the hourly rate for each individual and shall not exceed these agreed to rates. These rates are fully loaded and are inclusive of all direct and indirect payroll costs, overhead and profit for the applicable labor classification.

2. **Other Direct Expenses** – All other costs and expenses paid by CONSULTANT in connection with the Services, as allowed by Article 3, Reimbursable Expenses, including subconsultants, but exclusive of those set forth above, shall be billed to OWNER at a multiple of 1.0 times the amount billed to CONSULTANT for such Services.

D. **Measurement and Payment**

Referencing the Schedule of Compensation, payment will be made as follows:

1. **Pay Items 1-3**

   Payment will be made on a monthly basis for percent complete on each individual phase of work as defined in Exhibit “D”, Technical Requirements.

2. **Pay Items 4-5**

   Payment will be made on a monthly basis in accordance with actual hours worked for construction support services and record document preparation, as defined in Exhibit “D”, Technical Requirements.

3. **Pay Item 6 – Direct Expense Allowance - Reimbursable**

   Payment for the Direct Expense Allowance will occur throughout the duration of the contract. Specific items eligible for reimbursement and submission requirements are outlined in Article 3 - Reimbursable Expenses.
4. **Pay Item 7 – Owner’s Special Allowance**

Payment will be made only when the OWNER has directed a change to the scope of work that was not included in the original Contract documents. A sum of funds in the form of a Special Allowance has been included for additional work not included in the Contract Documents. The Special Allowance may be used, at OWNER’s discretion, to reimburse CONSULTANT for OWNER approved costs associated with performance of work in accordance with Exhibit “B” – Special Conditions, Article 1.0 – Changes in Services. OWNER shall determine if the work entailed does fall under the jurisdiction of the Special Allowance and OWNER’s decision shall be final. If a balance remains at the end of the contract, it will be deducted from the final contract price.

5. **Personnel Hourly Rates**

Classifications that are being invoiced as “Engineer” or “Architect” can only be applied to individuals appropriately licensed. This includes classifications that are billed at a rate equal to or higher than “Engineer” or “Architect” that may not include the term “Engineer” or “Architect” such as “Principal”, “Associate”, or “Senior Project Manager”. Proof of licensure may be required. The OWNER’s expectation is that the CONSULTANT has individuals in specific job classifications performing tasks commensurate with the position. As an example, drafting work would be paid at the drafting rate, regardless of the individual performing the work. This applies to any portion of the fee that is paid at an hourly rate.

3. **REIMBURSABLE EXPENSES**

Reimbursable expenses shall be paid from the Direct Expense Allowance, as designated by the OWNER. Reimbursable Expenses are in addition to the Compensation for Basic and Additional Services and include actual reasonable expenditures made by CONSULTANT and CONSULTANT’s employees and subconsultants in the interest of the Project for the expenses listed in the following sections:

A. **Travel**

CONSULTANT must obtain prior written approval from OWNER before commencing any project related travel. CONSULTANT’s travel requests must be submitted by CONSULTANT to OWNER on a form prescribed by OWNER and must be authorized on the same form by OWNER. Failure to obtain prior written approval from OWNER will result in non-payment of travel costs incurred. Copies of receipts must be provided to substantiate travel expenditures. OWNER will reimburse CONSULTANT for actual expenses only up to the maximum Federal Travel Regulations (FTR) rates for lodging, meals, and incidentals expense (M&IE).

Receipts must be provided for meals, taxi, tips, tolls, and miscellaneous expenses. CONSULTANT may be requested to provide an original receipt to support an invoice. Failure to provide the original may be cause to disallow the expense. Entertainment expenses will not be reimbursed.

B. **Airfare**

Airline travel shall be reimbursed at actual least-cost, economy (non-refundable) airfare rates with hard copies of either electronic or paper ticket receipts, along with a copy of
the signed Travel/Request Authorization Form. Airline tickets must be purchased a minimum of seven (7) days in advance of the anticipated travel date to obtain the economy airfare rate. Failure to book an airline ticket in advance, through no fault of OWNER, may result in CONSULTANT paying the net difference between the actual cost of the ticket and the advance economy purchase fare. Maximum one day of travel is authorized. M&IE to and from CONSULTANT’s point of origin will be reimbursed at 75% of the daily allowance.

C. Lodging

Actual and reasonable lodging costs up to the maximum FTR rate will be reimbursed substantiated by receipts. Failure to provide receipts of costs incurred will result in non-payment of the expense. Hotel internet connections are not reimbursable and shall be considered as part of an overhead function.

D. Rental Car Expenses

Economy or standard intermediate rental car, parking fees and gasoline costs are reimbursable with copies of receipts for each of these respective expenditures from the actual provider. Personal accident insurance is not reimbursable. Should CONSULTANT’s employee elect to utilize an alternate mode of transportation in lieu of air travel, reimbursement shall be made in accordance with the FTR mileage costs in effect at the time the travel occurs. However, total costs for this mode of transportation may not exceed the total allowances that would have been provided had CONSULTANT’s employee traveled by public air carrier (including expenses to/from the airport, lodging and M&IE per diem incurred in excess of that which would have been incurred had CONSULTANT’s employee traveled by least-cost, economy air).

E. Permit Fees

License or permit fees will be reimbursed through the Direct Expense Allowance for securing approval of authorities having jurisdiction over the Project. These fees shall be treated as a direct pass through with no additional markups (overhead and fee) added.

F. Document Reproduction

Expense of reproductions, including the submittals required by Exhibit "D", shall be considered a part of the CONSULTANT’s overhead cost and is non-reimbursable. If OWNER requests reproductions outside the scope of Contract deliverables, those costs will be reimbursed in accordance with Exhibit "C" – Compensation Conditions, Article 3 – Reimbursable Expenses. CONSULTANT shall substantiate these costs with third party receipts and/or invoices. Prior to payment, CONSULTANT shall submit with the monthly invoice specific detail on the reproductions for the invoice period being billed, providing, at a minimum, contract number, number of copies, type of copies, description of what was copied, copy rate, and date. Any other in-house copying is considered incidental, including associated labor, and will not be considered for payment and shall be included in the overhead rate and is non-reimbursable.

Expense of data processing associated with any technical work product and photographic productions outside the scope of Contract deliverables will be reimbursed with prior written approval by OWNER. All other day-to-day functions including scanning of documents shall be considered an overhead function and non-reimbursable.
G. **Postage/Mail**

It is OWNER's preference that U.S. Mail Services (First Class and Priority Mail) be utilized for any hard-copy submittals. These expenses shall be considered a part of CONSULTANT's overhead costs and are non-reimbursable. Express Mail or overnight carriers shall not be utilized unless required for schedule commitments and must be substantiated with receipts. These expenses will be reimbursed through the Direct Expense Allowance.

H. **Telephones**

Office telephones and cellular telephone expenses is considered to be a part of the CONSULTANT's overhead cost and is non-reimbursable.

I. **Mileage**

Mileage costs incurred for local business related travel for meetings, presentations, and site visits is considered to be a part of the CONSULTANT's overhead cost and is non-reimbursable.

J. **Insurance**

Expense of any additional insurance coverage or limits, including professional liability insurance in excess of $2,000,000 coverage after notice to and approval from OWNER, will be reimbursed at actual cost.

4. **PAYMENT FOR ADDITIONAL SERVICES**

No payment for additional Services will be made until a price of the additional Services has been mutually agreed between OWNER and CONSULTANT in writing. The total price will be based on a lump sum cost or on the hourly rates identified on Attachment "B". Once approved, the price of the additional Services shall be added to the values in Exhibit "C", Schedule of Compensation.

Payment for approved additional Services will be made on the pay estimate following completion or pro-rated portion of additional Services.

5. **PAY ESTIMATE FORMAT**

When work is performed, CONSULTANT and CONSULTANT's subconsultants shall submit Pay Estimates on a monthly basis in a format provided by the OWNER and in accordance with generally accepted accounting principles. The Pay Estimate shall be submitted as one original, consisting of all summary and calculation sheets, supporting documentation, and fully completed and executed S/M/W/DBE forms as specified in Exhibit "B" - Special Conditions, Article 9 – S/M/W/DBE Contract Compliance Requirements.

CONSULTANT's and subconsultants Pay Estimates shall identify dates of Work, designated Contract Number, and percentage complete for each period within the applicable Design Services phase. Optional Services Lump Sum items shall be on a percentage-complete basis.

No payments or invoices or portions thereof shall at any time constitute approval or acceptance of the Work under this Contract, nor be considered to be a waiver by OWNER or CONSULTANT of any of the terms of this Contract.

Payment for Services shall become due thirty (30) days after presentation of CONSULTANT’s statement of Services rendered, provided it is approved by OWNER. OWNER will not request a discount for payment of an invoice prior to the due date nor pay a fee or penalty should the payment date exceed the invoice due date. OWNER shall have the right to require additional information before being required to make payment and shall be allowed ten (10) calendar days to review the Pay Estimate. Should a portion of CONSULTANT’s Pay Estimate be disputed by OWNER, OWNER will pay the approved portion of such Services. Once the disputed issues are resolved, said Services shall be included with the next monthly Pay Estimate.

OWNER will pay CONSULTANT the value of the accepted invoice less any amounts owed OWNER.

Any amounts otherwise payable under this Contract may be withheld, in whole or in part, if any of the following conditions occur:
