Added Comments: Based on each department's approved budget, as funds are allocated. The total value of this approval is estimated in the amount of $4,680,000 should all renewal options be exercised.

BACKGROUND:

On November 6, 2017 the Las Vegas Valley Water District awarded #31335-CA for Sirius Software Maintenance, Hardware & Software to Sirius Computer Solutions, Inc. (LBE). This approval provides for the purchase of hardware, software and software maintenance.

The following are the pertinent provisions of this approval:

- The term of the contract being utilized is from November 6, 2017 through November 5, 2018, and includes the option to renew for four (4) additional, one-year periods.
- Clark County is not under exclusive contract with Sirius Computer Solutions Inc. and therefore, can cease purchasing hardware, software and software maintenance at any time.

This approval is in accordance with NRS 332.195.1 (g) (h), the competitive bidding process is not required; the hardware to be purchased is for computer hardware, software and software maintenance, respectively and pursuant to NRS 332.195.2 (a) A governing body or its authorized representative and the State of Nevada may join or use the contracts of local governments located within or outside this State with the authorization of the contracting vendor.

Sirius Computer Solutions, Inc. currently holds a Clark County Vendor Registration.
