Recommendation:

That the Board of County Commissioners approve the grant application submitted to the State of Nevada, Division of Child and Family Services (DCFS) by the Department of Juvenile Justice Services (DJJS) for the FFY 2005 Juvenile Accountability Block Grant (JABG) funds to assist DJJS in maintaining the American Correctional Association and Performance Based Standards best practice standards; and accept grant funds awarded. DJJS through Federal formula can apply for $257,891. Additionally, there has been accrued interest of $37,917.18 for a total of $295,808.18.

FISCAL IMPACT:

Awarded funds will be deposited into Fund # 2031.000 - 1240711000
Matching funds is available in Fund # 2031.000

BACKGROUND:

The State of Nevada for FY2006 inadvertently failed to disperse the FFY 2005 Juvenile Accountability Block Grant money awarded to the state. Unknowingly the FFY2005 money sat and accrued interest for the last several years. The state, through the auditing process, realized this money was not being used. Utilizing the Governor's Juvenile Justice Commission they have sent letters requesting applications for the FFY 2005 money including interest. They need to have this money obligated to the local entities by 9/30/09. As these funds are available one time, it would be difficult to create sustainable programs or hire staff. Therefore a more expedient and valuable way to accomplish the application and expenditure is utilize the Purpose Area #2 of the JABG grant, that allows for capital expenditures in detention and correction facilities. This same funding source was used at Spring Mountain Youth Camp (SMYC) early this decade to assist with the state funding to build the current dorm facilities.

These funds come with a 10% total project cost match, which would amount to $32,867.57, and have strict non supplanting language attached. The projects will include providing a sun cover for the outdoor recreation courts at juvenile detention, texturing the court surface to reduce injuries resulting from slips on the current surface and creating a field turf recreation area immediately outside the Spring Mountain Youth Camp Dormitories.

Respectfully submitted,

VIRGINIA VALENTINE, County Manager
