BACKGROUND:

The Consolidated Plan is a requirement to receive HUD grant funding over the next five years of approximately $60 million. The purpose of the FY 2015-2019 HUD Consolidated Plan is to provide current information on housing and community development at the local level, estimate housing needs, identify relevant issues, and outline housing and community development policies to address existing and future problems. An annual Action Plan is then required to outline specific projects that will be undertaken each year of the five-year period.

The FY 2015 Action Plan describes the funding allocations, by jurisdiction, for the Community Development Block Grant (CDBG), the HOME Investment Partnerships Grant (HOME), the Emergency Shelter Grant (ESG), and the Nevada Low-Income Housing Trust Fund (LIHTF). Prior to its submittal to HUD on May 15, 2015, the Consolidated Plan and Action Plan will be revised to incorporate any public comments received as well as any required technical corrections. It is expected that HUD will approve the two planning documents by the end of June.

Respectfully submitted,

Chief Administrative Officer
