Recommendation:

That the Board of County Commissioners approve and authorize the Chairman to sign an Interlocal Agreement for Coordination of Franchise-Related Activities among the County and the Cities of Boulder City, Henderson, Las Vegas and North Las Vegas, effective July 1, 2009, through June 30, 2014.

FISCAL IMPACT:

The County’s proportionate share of the budgeted expenses for FY 2008-2009 associated with the Interlocal Agreement is $71,584, which was approved by the Board in Fund #2100.908 in the FY 2008-2009 budget. The allocated portion of budgeted expenses allocated to the Cities in FY 2008-2009 is $94,350.

BACKGROUND:

The Interlocal Agreement for Coordination of Franchise-Related Activities entered into by the County and the Cities of Boulder City, Henderson, Las Vegas and North Las Vegas effective July 1 2004, will expire on June 30, 2009. During the term of this interlocal agreement, the jurisdictions have worked on common franchise-related issues including amendments to the two ambulance service franchise agreements, the ambulance ordinance, telecommunication franchise provisions and a cable television audit.

Through this interlocal agreement one half of a position in the County is funded to provide services in fulfillment of the purpose of this Agreement, including receiving and coordinating resolutions of Cox Communication’s subscriber complaints for the five jurisdictions.

The five-year interlocal agreement will be heard by the City Councils once the County has approved it. The Board is requested to approve and authorize the Chairman to sign the Interlocal Agreement.

Respectfully submitted,

Jacqueline R. Holloway, Director
