The work consists of the removal and replacement of existing traffic signs, sign posts and anchors throughout Clark County. This bid will enable the department to allow for scheduling of the necessary maintenance work throughout the year. Although the exact nature of each work order is unknown at this time, the bid form reflects estimates of the various sign replacement maintenance to be performed. Work orders will describe the specific items of work as assigned, and will stay within the department’s approved budget.

The initial term of this contract shall be from date of award through June 30, 2013, and includes the options to renew for four one-year periods and to increase the annual award amount up to 15 percent, based on possible increased user requirements for the renewal terms, subject to approved budget appropriations.

Staff recommends rejecting the bid submitted by Precision Paving Co. Inc. for failure to complete the Bid Form, and failure to use the correct Bid Form(s), in accordance with Instructions to Bidders, Section 27, Disqualification of Bidders, Item A. Failure to use the specified Bid Form furnished by County.

In accordance with NRS 332.065, if the governing body or its authorized representative has advertised for or requested bids in letting a contract, the governing body or its authorized representative must award the contract to the lowest responsive and responsible bidder. J & J Enterprises Services, Inc. currently holds a Clark County Business License.
