NOTICE OF PROPOSED POLICY FOR CONNECTION OF RECREATIONAL SPLASH PADS TO PUBLIC SEWER

The Clark County Water Reclamation District Board of Trustees will conduct a public hearing at 10:00AM on June 21, 2011, at the Clark County Government Center, 500 S. Grand Central Parkway, LV, for the purpose of considering an amendment to the Design and Construction Standards for Wastewater Collection Systems, incorporating the connection of recreational splash pads to the public wastewater collection system.

A Recreational Splash Pad is an aquatic play area for interaction with fountains, sprays, jets and other special play features in which the water is discharged into an open drain to prevent standing water.

A copy of the proposed amendment is available for public viewing at:

Clark County Water Reclamation District

5857 East Flamingo

Las Vegas, NV 89122

The proposed amendment may also be viewed on the District website:

Business customers are invited to submit comments or questions to the District in advance of the public hearing. The deadline for response is May 27, 2011 at 5:00 PM. If you wish to respond, consider the following two questions:

1. Does the proposed policy impose a direct or significant economic burden upon your business?

2. Does the proposed policy restrict the formation, operation, or expansion of your business?

Written comments should be submitted by May 27, 2011 to:
