Added Comments: Total agreement value is $514,301.

BACKGROUND:

NV Energy has agreed to supply the electrical infrastructure requirements as required for the improvements to the Sunset Regional Park, Phases 1 and 2. Improvements include relocating the northern overhead power line within the park to an underground facility that will parallel the new interior park roadway, and looping the electrical system to meet current code requirements.

County staff negotiated the attached line extension agreement with NV Energy. The agreement further describes the services to be provided and the stipulated terms as they relate to the County and NV Energy.

The District Attorney's Office has reviewed and approved the agreement as to form.

Respectfully submitted,

DENIS CEDERBURG
Director of Public Works
