The following are the pertinent provisions of this approval:
- The term of the contract being utilized is from date of award through July 20, 2020, and includes the option to renew for one (1), one-year period.
- Clark County is not under exclusive contract with WEX Bank and therefore, can cease service at any time.

Sourcewell is a self-supporting government organization established by the State of Minnesota, founded as a national cooperative service unit which affords government entities and nonprofits volume discounts that are achieved over the span of requirements for all participating members, rather than that of each agency.

This approval is in accordance with NRS 332.195.1 (a) A governing body or its authorized representative may join or use the contracts of local governments located within or outside this state with the authorization of the contracting vendor.

The Business License Department has determined that a Clark County Business License is not required for this effort.
