BACKGROUND:

On April 2, 2014, the Clark County Department of Aviation (DOA) sent its proposed FY2015 budgeted rentals, fees, and charges to the LAS Airline and Airport Affairs Committee (LAS AAAC) for review and comments. The rentals, fees, and charges were calculated in accordance with the rate-making methodology contained in the Airline-Airport Use and Lease Agreement, approved September 7, 2010, as amended January 18, 2011. The LAS AAAC and the DOA met on April 8, 2014, to further review and discuss the proposed FY2015 budgeted rentals, fees, and charges. The LAS AAAC approved the proposed FY2015 budgeted rentals, fees, and charges at that meeting and sent a formal approval letter on April 11, 2014. This amendment to Title 20 of the Clark County Code, Chapters 20.10 and 20.11 contains language to revise the rentals, fees, and charges at McCarran International Airport; and correct the Passenger Facility Charge effective termination date to match the date approved by the Federal Aviation Administration.

Respectfully submitted,

ROSEMARY A. VASSILIADIS
Director of Aviation
