BACKGROUND: 

In recognition of Clark County’s implementation of 10.06, the Managed Care of Feral Cats ordinance in 2008, Commissioner Giunchigliani would like to recognize and present proclamations to volunteers Marcia Lozon, Nancy Moore, and Jean Spaziani with Community Cat Coalition of Clark County (C5), a 501c3 organization whose mission is to prevent cruelty to animals by protecting healthy free-roaming and feral cats in Clark County from cruel extermination methods and from non-medically directed euthanasia.

Since January 2010, Ms. Lozon, Ms. Moore, and Ms. Spaziani have each personally trapped over 1,500 cats and kittens for Trap, Neuter and Return (TNR).

These three outstanding individuals should be commended for showing an extraordinary dedication, exemplary voluntarism and hard work to responsibly manage the free-roaming cats in our community through TNR.

Respectfully submitted,

DONALD G. BURNETTE, County Manager
