Award of Bid No. 777-09

Richard Mendes, General Manager, Clark County Water Reclamation District

That the Clark County Water Reclamation District Board of Trustees approve and authorize the General Manager to issue a purchase order for the procurement of twenty (20) Panasonic Toughbook Laptops and Gamber Johnson Vehicle Mounting Equipment to CDW Government, Inc., CCWRD Bid No 777-09.

FISCAL IMPACT:

Budgeted funds in the amount of $93,094 are available in the District’s Capital Account No. 412-1665.

BACKGROUND:

This request is for the procurement of 20 Panasonic Toughbook Laptops and Gamber Johnson Vehicle Mounting Equipment. The laptops are mobile data units which will allow the District access to software applications while in the field, such as electronic mails, asset management software, and GIS and PSTools applications. The Vehicle Mounting Equipment will be used to mount and store laptop units while in operation. The laptop units will be programmed with the ability to streamline and mitigate errors in field reporting and allow staff the ability to access and reconcile GIS data while in the field, thus eliminating downtime in compiling and meeting schedule requirements.

The requirement was advertised on February 13, 2009, and bids were opened on March 5, 2009. Three (3) bids were received. The District recommends that the bid for the procurement of 20 Panasonic Toughbooks and Gamber Johnson Vehicle Mounting Equipment be awarded to CDW Government, Inc., as the lowest responsive and responsible bidder. The bid results are as follows:
