**Recommendation:**

That the Board of County Commissioners approve Amendment One to the agreement with NCompass Solutions, Inc., to provide Negotiations Support for Lots II and III of RFP 600127, Services for Telecommunications; and authorize the Chief Financial Officer or his designee to sign the amendment; or take other action as appropriate.

**FISCAL IMPACT:**

Amendment One represents an increase of $24,818, for a new contract amount of $72,968 (4380.000-1100761000-644300-IT08TMP11001).

**BACKGROUND:**

On June 26, 2008, the Department of Finance, Purchasing and Contracts Division, approved the contract with NCompass, Inc., to provide its technical expertise and assist with negotiations to attain a voice carrier contract with Embarq. The contract period was estimated to be for the period from July 7, 2008 through December 3, 2008 until Lots II and III of RFP 600127 was awarded with Embarq.

Negotiations with Embarq have been delayed, thereby prompting this Amendment One, which will provide additional support hours, extend the agreement through April 30, 2009, and allow for research to assess alternative carrier services should negotiations fail to present acceptable pricing and contract terms and conditions with Embarq. This change increases the value of the contract to $72,968.

These modifications and costs were reviewed by the Information Technology’s staff, and were found equitable for the work involved. The attached Amendment document details the work and costs involved.
