Recommendation:

That the Board of County Commissioners approve and authorize the County Manager or her designee to sign a letter extending the approved interlocal contract between Clark County and the University of Nevada, Las Vegas, enabling the university to provide biological, environmental, and scientific services for the Clark County Wetlands Park until February 17, 2010.

FISCAL IMPACT:

Clark County will continue to reimburse UNLV, in an amount not to exceed $100,000, from Wetlands Park Fund 4110.000.1280110000.

BACKGROUND:

On February 15, 2005, by way of Agenda Item #19, the Board of County Commissioners approved, and authorized the County Manager to sign a contract between Clark County and the University of Nevada, Las Vegas, for biological, environmental and scientific services for the Wetlands Park.

The contract was for an initial three-year term and helped the County meet the Federal and State permitting and environmental impact requirements. It allowed for two additional one-year terms at the County’s discretion. By way of a letter dated January 28, 2008, the County exercised its right to extend the contract through February 15, 2009. If approved, the second one-year extension will expire on February 17, 2010.

The initial contract was amended and approved by the Clark County District Attorney’s Office and staff recommends approval of the final one-year extension.

Respectfully submitted,

Jane Pike, Assistant Director
Parks and Recreation
