**Recommendation:**

That the Board of County Commissioners set a public hearing on Tuesday, March 15, 2011 at 10:00 a.m., to consider Applications 53987 through 53992 and Applications 54003 through 54021 submitted by the Southern Nevada Water Authority to the State Engineer for appropriation of water from Lincoln and White Pine Counties for municipal use within Clark, Lincoln, Nye, and White Pine Counties, and to submit comments, if any, or a recommended course of action, if any, to the State Engineer, pursuant to NRS 533.363(4).

*(Copies of the applications and supporting maps can be viewed or printed from the Division of Water Resources website (http://water.nv.gov) and will also be available for inspection at Clark County's Department of Air Quality and Environmental Management and at the Clerk's Office, Clark County Commission Office, located at the Clark County Government Center, 500 S. Grand Central Parkway, Las Vegas, Nevada.)*

- Fund #: N/A
- Fund Name: N/A
- Fund Center: N/A
- Funded Pgm/Grant: N/A
- Description: N/A
- Amount: N/A
- Added Comments: N/A

**BACKGROUND:**

The Southern Nevada Water Authority ("SNWA") holds a series of applications filed on October 17, 1989 to appropriate groundwater for municipal purposes. These applications propose to divert water from Hydrographic Basins Cave Valley, Dry Lake Valley, Delamar Valley, and Spring Valley. The proposed points of diversion lie within Lincoln and White Pine Counties. The proposed place of use for all applications is within Clark County, Lincoln County, Nye County and White Pine County.

In the attached letter, the State Engineer notified the Board of County Commissioners of the SNWA applications. NRS 533.363(4) requires the Board to provide notice of and hold a meeting on the applications. The Board may also provide comments and make recommendations to the State Engineer on the applications.

Copies of the applications and supporting maps can be viewed or printed from the Division of Water Resources web site (http://water.nv.gov) and will also be available for inspection at Clark County's Department of Air Quality and Environmental Management, first floor and at the Clerk's Office, Clark County Commission Office, both located at the Clark County Government Center, 500 S. Grand Central Parkway, Las Vegas, Nevada.

Respectfully submitted,

LEWIS WALLENMEYER, DIRECTOR

3/1/2011
