BACKGROUND:

On October 2, 2007, per Commissioner Giunchigliani's request, the Board considered establishing a standing agenda item to report on emerging issues in the County. Under such an item, the Board could raise items that could be addressed by staff and brought back before the Board, as posted agenda items, for direction or action at a later date. Additionally, on March 17, 2009, the Board directed staff to place a standing item on the Board's agenda to receive update from Commissioners regarding activities of other local entities and their governing boards, including but not limited to the Metro Fiscal Affairs Committee, Southern Nevada District Board of Health, Las Vegas Convention Center and Visitors Authority, Regional Transportation Commission of Southern Nevada, Regional Flood Control District, and the Southern Nevada Water Authority.

This item will allow individual Commissioners to report on emerging issues that may affect the operation of the County, including activities of other local entities and their governing boards and introduce items any Commissioner would like to bring before the Board for consideration and action pursuant to Article VI, Section E(2) of the Board's Rules of Procedure.

Respectfully submitted,

DONALD G. BURNETTE, County Manager
