The covenants and agreements herein set forth to be performed on behalf of the County shall be for the equal benefit, protection and security of the owners of any and all of the Outstanding Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof, except as otherwise expressly provided in or pursuant to this Ordinance.

Section 207. General Obligations. The full faith and credit of the County are hereby pledged to the payment of the Bond Requirements of the Bonds; they shall constitute general obligations of the County and shall be payable from General Taxes on all taxable property within the County (except to the extent any Pledged Revenues or other moneys are available therefor), subject to the limitations imposed by the Constitution and statutes of the State.

Section 208. Additional Security. ARTICLE III

AUTHORIZATION, TERMS, EXECUTION AND ISSUANCE OF BONDS

Section 301. Authorization of Bonds. The “Clark County, Nevada, General Obligation (Limited Tax) Public Facilities Refunding Bonds (Additionally Secured by Consolidated Tax Pledged Revenues), Series 2009A,” in the original aggregate principal amount set forth in the Certificate of the Chief Financial Officer (not to exceed the amount necessary to accomplish the Project), are hereby authorized to be issued, pursuant to the Project Act, the Consolidated Tax Act and the Bond Act; and the County pledges irrevocably, but not necessarily exclusively, the Pledged Revenues to the payment of the Bond Requirements of the Bonds, the proceeds of the Bonds to be used solely to defray wholly or in part the Cost of the Project.

Section 302. Bond Details. The Bonds shall be issued payable in fully registered form, i.e., registered as to both principal and interest and shall be dated as of the date of delivery of the Bonds. Except as provided in Section 307 hereof, the Bonds shall be issued in the denominations of $5,000 and any integral multiples thereof (but no Bond may be in a denomination which exceeds the principal coming due on any maturity date, and no individual Bond will be issued for more than one maturity). The Bonds shall bear interest at the rates shown in the Certificate of the Chief Financial Officer from their date until their respective fixed maturity dates, payable on June 1 and December 1 of each year, commencing on the December 1, 2009, except that Bonds which are reissued upon transfer, exchange or other replacement shall bear interest at the rates shown in the Certificate of the Chief Financial Officer from the most recent interest payment date to which interest has been paid or provided for, or, if no interest has been paid, from the date of the Bonds. The Bonds shall mature on the dates and in the amounts as set forth in the Certificate of the Chief Financial Officer.

The principal of and redemption premium, if any, on any Bond, shall be payable to the registered owner thereof as shown on the registration records kept by the Registrar, upon maturity or prior redemption thereof and upon presentation and surrender at the Paying Agent or at such other office as designated by the Paying Agent. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by the Bond until the principal thereof is paid in full. Except as provided in Section 307 hereof, payment of interest on any Bond shall be made to the registered owner thereof by
check or draft mailed by the Paying Agent, on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), to the registered owner thereof at his or her address as shown on the registration records kept by the Registrar at the close of business on the Regular Record Date for such interest payment date; but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner thereof at the close of business on a Special Record Date for the payment of any such defaulted interest. Such Special Record Date shall be fixed by the Paying Agent whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owners of the Bonds not less than 10 days prior thereto by first-class mail to each such registered owner as shown on the Registrar’s registration records on a date selected by the Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed upon between the owner of such Bond and the Paying Agent. All such payments shall be made in lawful money of the United States of America.

Section 303. Optional Prior Redemption.

A. Optional Redemption. Bonds, or portions thereof, maturing on and after the date set forth in the Certificate of the Chief Financial Officer, if any, shall be subject to redemption prior to their respective maturities, at the option of the County, on and after the date set forth in the Certificate of the Chief Financial Officer, in whole at any time or in part at any time, from such maturities as are selected by the County, and if less than all of the Bonds of a maturity are to be redeemed, the Bonds of such maturity are to be redeemed by lot within a maturity (giving proportionate weight to Bonds in denominations larger than $5,000), in such manner as the Paying Agent may determine, for the principal amount of each Bond or portion thereof so redeemed and accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Certificate of the Chief Financial Officer.

B. Mandatory Redemption. The Bonds maturing on the dates, if any, set forth in the Certificate of the Chief Financial Officer (collectively, the "Term Bonds") are
subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Term Bonds, there shall be deposited into the Bond Fund on or before the dates set forth in the Certificate of the Chief Financial Officer, a sum which, together with other moneys available in the Bond Fund, is sufficient to redeem (after credit is provided below) on the dates and the principal amounts of the Term Bonds as set forth in the Certificate of the Chief Financial Officer, plus accrued interest to the redemption date.

Not more than sixty days nor less than thirty days prior to the sinking fund payment dates for the Term Bonds, the Registrar shall proceed to select for redemption (by lot in such manner as the Registrar may determine) from all Outstanding Term Bonds, a principal amount of the Term Bonds equal to the aggregate principal amount of the Term Bonds redeemable with the required sinking fund payments, and shall call such Term Bonds or portions thereof for redemption from the sinking fund on the next principal payment date, and give notice of such call as provided in Section 304 of this Ordinance.

At the option of the County to be exercised by delivery of a written certificate to the Registrar not less than sixty days next preceding any sinking fund redemption date, it may (i) deliver to the Registrar for cancellation Term Bonds, or portions thereof ($5,000 or any integral multiple thereof) in an aggregate principal amount desired by the County or, (ii) specify a principal amount of Term Bonds, or portion thereof ($5,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond or portions thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the County on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the County determines. In the event the County shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be canceled in the event the Bonds are registered in the name of Cede & Co. as provided in Section 307 of this Ordinance,
the certificate required by the first sentence of this paragraph shall be accompanied by such
direction and evidence of ownership as is satisfactory to The Depository Trust Company.

C. Partial Redemption. If any Bond is in a denomination larger than $5,000, a portion of such Bond ($5,000 of principal amount thereof, or any integral thereof) may be redeemed pursuant to subsection A or B hereof, as appropriate, in which case the Registrar, except as provided in ' 307 hereof, shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof. In the case of a partial redemption of Bonds of a single maturity pursuant to subsection A or B hereof, the Paying Agent shall select the Bonds to be redeemed by lot at such time as directed by the County (but at least 30 days prior to the redemption date), and if such selection is more than 60 days before a redemption date, shall direct the Registrar to appropriately identify the Bonds so called for redemption by stamping them at the time any Bond so selected for redemption is presented to the Registrar for stamping or for transfer or exchange, or by such other method of identification as is deemed adequate by the Registrar and any Bond or Bonds issued in exchange for, or to replace, any Bond so called for prior redemption shall likewise be stamped or otherwise identified.

Section 304. Redemption Notice. Unless waived by any registered owner of a Bond to be redeemed, notice of prior redemption shall be given by the Registrar, by registered or certified mail as long as Cede & Co. or a nominee or a successor depository is the registered owner of the Bonds, and otherwise by first class, postage prepaid mail, at least 30 days but not more than 60 days prior to the Redemption Date to the Municipal Securities Rulemaking Board ("MSRB") and the registered owner of any Bond (initially Cede & Co.) all or a part of which is called for prior redemption at his or her address as it last appears on the registration records kept by the Registrar. The notice shall identify the Bonds and state that on such date the principal amount thereof, and premium, if any, thereon will become due and payable at the Paying Agent (accrued interest to the Redemption Date being payable by mail or as otherwise provided in this Ordinance), and that after such Redemption Date interest will cease to accrue. After such notice and presentation of said Bonds, the Bonds called for redemption will be paid. Actual receipt of mailed notice by the MSRB or any registered owner of Bonds shall not be a condition precedent to redemption of such Bonds. Failure to give such notice by mailing to the MSRB or the
registered owner of any Bond designated for redemption, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bond. A certificate by the Registrar that notice of call and redemption has been given as provided in this Section shall be conclusive as against all parties; and no owner whose Bond is called for redemption or any other owner of any Bond may object thereto or may object to the cessation of interest on the Redemption Date on the ground that he failed actually to receive such notice of redemption.

Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

Section 305. Negotiability. Subject to Section 307 hereof and to the registration provisions herein provided, the Bonds shall be fully negotiable within the meaning of and for the purposes of the Uniform Commercial Code--Investment Securities, and each owner shall possess all rights enjoyed by owners of negotiable instruments under the Uniform Commercial Code-Investment Securities.

Section 306. Registration, Transfer and Exchange of Bonds. Except as otherwise provided in Section 307 hereof:

A. Registration and Transfer. Records for the registration and transfer of the Bonds shall be kept by the Registrar. Upon the surrender for transfer of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity bearing a number or numbers not previously assigned. Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 302 hereof. The Registrar shall authenticate and deliver a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. For every exchange or transfer of Bonds requested by the

The Registrar shall not be required to transfer or exchange (i) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing by the Registrar of a notice of prior redemption of Bonds and ending at the close of business on the day of such mailing, or (ii) any Bond after the mailing of notice calling such Bond or any portion thereof for redemption as herein provided.

C. Effect of Registration. The person in whose name any Bond shall be registered, in the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of making payments thereof (except to the extent otherwise provided in Section 302 hereof with respect to interest payments) and for all other purposes; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitation provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

D. Replacement of Bond. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it, the Registrar or the County, may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured or shall have been called for redemption, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

E. Cancellation of Bond upon Payment or Reissuance. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for

Notwithstanding the foregoing provisions of Sections 302 to 306 hereof, the Bonds shall initially be evidenced by one Bond for each year in which the Bonds mature in denominations equal to the aggregate principal amount of the Bonds maturing in that year. Such initially delivered Bonds shall be registered in the name of “Cede & Co.” as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

3. upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this subsection A, or a determination of the County that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the...
failure by the County, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of subsection A hereof or designation of a new depository pursuant to clause (2) of subsection A hereof, upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity of the Bonds then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. E. Upon any partial redemption of any maturity of the Bonds, Cede & Co. (or its successor), in its discretion may request the County to issue and authenticate a new
Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

Or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.**
This Bond must be registered in the name of the Registered Owner as to both principal and interest on the registration records kept by the Registrar in conformity with the provisions stated herein and endorsed hereon and subject to the terms and conditions set forth in the Ordinance. No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the Registered Owner or his attorney duly authorized in writing.

The County and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Ordinance with respect to Regular and Special Record Dates for the payment of interest) and for all other purposes and the County, and Paying Agent and Registrar shall be not affected by notice to the contrary.

The payment of the Bonds, as to all Bond Requirements, is additionally secured by an irrevocable pledge of revenues derived by the County from the Pledged Revenues (as defined in the Ordinance).

ARTICLE IV

USE OF BOND PROCEEDS AND OTHER FUNDS

Section 401. Disposition of Bond Proceeds. The proceeds of the Bonds upon the receipt thereof at any time or from time to time, shall be accounted for in the following manner and priority and are hereby pledged therefor:

A. Escrow Account. First, except as herein otherwise expressly provided, the proceeds derived from the sale of the Bonds (together with any other legally available funds) in an amount sufficient to accomplish the Project shall be credited to a separate account hereby created and to be known as the "Clark County, Nevada, General Obligation (Limited Tax) Refunding Bonds, Series 2009AB&C, Escrow Account”.

B. Costs of Issuance Account. Second, except as herein otherwise expressly provided, the proceeds derived from the sale of the Bonds remaining after the deposits required by subsection A of this section have been made, shall be credited to a separate account hereby created and to be known as the “Clark County, Nevada, General Obligation (Limited Tax) Public Facilities Refunding Bonds, Series 2009A, Costs of Issuance Account” (the “Costs of Issuance Account”) and shall be applied to defray wholly or in part the costs of issuing the Bonds and establishing the Escrow Account, which the Board hereby determines are necessary and desirable and pertain to the Project. After the payment of such costs, any unexpended monies remaining in the Costs of Issuance Account shall be deposited into the Bond Fund for the payment of the principal of or interest on the Bonds as the same becomes due.

Section 402. Prevention of Bond Default. The County Treasurer shall use any Bond proceeds credited to the Costs of Issuance Account without further order or warrant, to pay the Bond Requirements of the Bonds as the same become due whenever and to the extent moneys in the Bond Fund or otherwise available therefor are insufficient for that purpose, unless the Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The County Treasurer shall promptly notify the Chairman of any such use. Any moneys so used shall be restored to the Costs of Issuance Account, from the first Pledged Revenues thereafter received and not needed to meet the requirements provided in Sections 603 through 607 hereof.
Section 403. **Purchaser Not Responsible.** The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the acquisition of the improvements, or any part thereof, or to the completion of the Project. The Purchaser of the Bonds, any associate thereof, and any subsequent owner of any Bonds shall in no manner be responsible for the application or disposal by the County or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 404. **Lien on Bond Proceeds.** Until proceeds of the Bonds are applied as hereinabove provided the Bond proceeds (except Bond proceeds deposited into the Escrow Account) shall be subject to a lien thereon and pledge thereof for the benefit of the owners of the Bonds from time to time as provided in Section 601 hereof.

Section 405. **Use of Escrow Account.**

A. The amounts deposited into the Escrow Account shall be used to acquire the Federal Securities identified in the Escrow Agreement and to establish the beginning cash balance in the escrow designated in the Escrow Agreement, if any. All amounts received from such Federal Securities and such beginning cash balance shall be applied solely to the payment of the principal of and interest on the Refunded Bonds until the Refunded Bonds have been paid in full and discharged as to all principal and interest. No further warrant, resolution or other action of the Board shall be necessary for the Escrow Bank to transfer monies for the payment of the Refunded Bonds such amounts received from such Federal Securities and beginning cash balance to so pay the Refunded Bonds. The uninvested cash and Federal Securities deposited in the Escrow Account shall at all times be sufficient to fully pay all the principal of and interest on the Refunded Bonds.

B. The sufficiency of the Escrow Account for the purposes set forth in this Section and in Section 401A hereof shall be verified by a certified public accountant as provided in NRS 350.698. The Escrow Agreement shall be in substantially the form now before the County, and the officers of the County designated therein are hereby authorized to execute it in final form. After payment in full of the Refunded Bonds, or after adequate provision has been made therefor, the escrow shall terminate, and any funds remaining in the Escrow Account shall be applied to any lawful purpose or purposes of the County as the Board may determine.
Section 406. Maintenance of Escrow Account.

A. The Escrow Account shall be maintained by the County in an amount at the time of those initial deposits therein and at all times subsequently at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in Federal Securities, to pay the interest due in connection with the Refunded Bonds, both accrued and not accrued, as the same become due up to and including the redemption date of the Refunded Bonds as specified in the Escrow Agreement (the “Refunded Redemption Date”); and to redeem, on the Refunded Redemption Date, all of the Refunded Bonds then outstanding, for the principal amount thereof, accrued interest to the Refunded Redemption Date, and the required premium.

B. Moneys shall be withdrawn by the Escrow Bank from the Escrow Account in sufficient amounts and at such times to permit the payment without default of interest due in connection with the Refunded Bonds; and on the Refunded Redemption Date, the Registrar shall call for prior redemption of all the then outstanding Refunded Bonds. Any moneys remaining in the Escrow Account after provision shall have been made for the redemption in full of the Refunded Bonds shall be applied to any lawful purpose of the County as the Board may hereafter determine.

C. If for any reason the amount in the Escrow Account shall at any time be insufficient for its purpose, the County shall forthwith from the first moneys available therefor deposit in such account such additional moneys as shall be necessary to permit the payment in full of the principal, interest and redemption premium due in connection with the Refunded Bonds as herein provided.

Section 407. Prior Redemption of Refunded Bonds.

A. The County hereby elects to redeem on the Refunded Redemption Date, the Refunded Bonds, at a price equal to the principal amount thereof, accrued interest to the redemption date and the premium, if any, designated therefor in the 1999A Bond Ordinance.

B. Notice of Redemption shall be given in the name of and on behalf of the County by the Registrar, by mailing a copy of a notice of defeasance and prior redemption at least once not less than 30 days nor more than 60 days before the Redemption Date, as set forth in the 1999A Bond Ordinance.
ARTICLE V

GENERAL TAXES

Section 501. General Tax Levies. Pursuant to NRS 350.596, the Bond Requirements of the Bonds falling due at any time when there are not on hand from General Tax levies sufficient funds to pay the same, shall be paid out of the general fund of the County or out of any other funds that may be available for such purpose. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available for the payment of such Bond Requirements on other than a temporary basis) and for the purpose of the payment thereafter of the Bonds and the interest thereon, there are hereby created the separate and special accounts known respectively as the “Clark County, Nevada, General Obligation (Limited Tax) Public Facilities Refunding Bonds, Series 2009A, General Tax Principal Account” (the “General Tax Principal Account”) and as the “Clark County, Nevada, General Obligation (Limited Tax) Public Facilities Refunding Bonds, Series 2009A, General Tax Interest Account” (the General Tax Interest Account”). Pursuant to NRS 350.592 and 350.594, there shall be levied in the calendar year 2009, and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the County fully sufficient to reimburse such funds for such installments of Bond Requirements, together with the revenue which will result from application of the rate to the net proceeds of minerals, to pay the interest on the Bonds, and to pay and retire the same as hereinabove provided, and after there are made due allowances for probable delinquencies. The proceeds of the annual levies shall be duly credited to such separate accounts for the payment of the Bond Requirements, including any mandatory sinking fund payments pursuant to Section 303B hereof, if any. In the preparation of the annual budget or appropriation resolution or ordinance for the County, the County shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the County, including, without limitation, the Bonds, subject to the limitations imposed by NRS 361.453 and Section 2, Article. 10, Nevada Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the County.
Section 502. **Priorities for Bonds.** As provided in NRS 361.463 in any year in which the total General Taxes levied against the property in the County by all overlapping units within the boundaries of the County may exceed the limitation of $3.64 on each $100 of assessed valuation, or a lesser or greater amount fixed by the State board of examiners if the State board of examiners is directed by law to fix a lesser or greater amount for that Fiscal Year as provided in NRS 361.453, and it shall become necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by such unit or units (including, without limitation, the County and the State) for purposes other than the payment of their bonded indebtedness, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the County and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453.

Section 503. **Correlation of Levies.** Such General Taxes shall be levied and collected in the same manner and at the same time as other General Taxes are levied and collected, and the proceeds thereof for the Bonds shall be kept by the County Treasurer in the General Tax Principal Account and in the General Tax Interest Account, which shall be used for no other purpose than the payment of principal of and interest on the Bonds, and any other parity securities hereinafter issued in accordance with Section 910 hereof, respectively, as the same fall due.

Section 504. **Use of General Fund.** Any sums becoming due on the Bonds at any time when there are on hand from such tax levy or levies (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the County, reimbursement to be made for such general funds in the amounts so advanced when the Taxes herein provided for have been collected, pursuant to NRS 350.596.

Section 505. **Use of Other Funds.** Nothing herein prevents the County from applying any funds (other than General Taxes) that may be available for that purpose to the payment of such interest or principal, as the same, respectively, mature, including, without limitation, the payment of the Bonds as provided in Section 604 hereof and elsewhere herein,
and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

Section 506. **Legislative Duties.** In accordance with NRS 350.592 and NRS 361.463, it shall be the duty of the County annually, at the time and in the manner provided by law for levying other General Taxes of the County, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the County shall require the officers of the County to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds as hereinbefore provided.

Section 507. **Appropriation of General Taxes.** In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of the General Taxes to the payment of such principal and interest; and such appropriations shall not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the principal of and interest on the Bonds have been wholly paid.
ARTICLE VI

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 601. Pledge Securing Bonds. Subject only to the right of the County to cause amounts to be withdrawn to pay the Cost of the Project as provided herein, the Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this article or under Section 401 hereof, excluding, however, all amounts held in the Escrow Account and the Rebate Account, are hereby pledged to secure the payment of the Bond Requirements of the Bonds; and this pledge shall be valid and binding from and after the date of the first delivery of any Bonds, and the moneys, as received by the County and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act, and the lien of this pledge and the obligation to perform the contractual provisions herein made shall have priority over any or all other obligations and liabilities of the County and, except for the Outstanding 1999A Bonds, 1999 Bonds, 2000 Bonds, 2004B Bonds, 2004C Bonds, 2005 Bonds, 2007 Bonds and any Outstanding securities hereafter authorized the liens of which on the Pledged Revenues are superior to or on a parity with the lien thereon of the Bonds; and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Income Fund Deposits. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the entire Pledged Revenues, upon their receipt from time to time by the County, shall continue to be set aside and credited immediately to a special fund previously created by the Board and designated as the “Clark County, Nevada, SCCRT Pledged Revenues Income Fund, Series 1993” (the “Income Fund”). Such Income Fund shall be maintained by the County Treasurer separate and apart from all other County funds, including the Bond Fund.

Section 603. Administration of Income Fund. So long as any of the Bonds hereby authorized shall be Outstanding, as to any Bond Requirements, each Fiscal Year the Income Fund shall be administered, and the moneys on deposit therein shall be applied in the following order of priority, all as provided in Sections 604 through 608 hereof.

A. First, from any moneys in the Income Fund, i.e., from the Pledged Revenues, there shall be credited to any bond fund created to pay the principal of, interest on and prior redemption premiums due on any superior bonds or superior securities issued in accordance with the provisions of this Ordinance:

1. Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the superior bonds or superior securities, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the superior bonds or superior securities then outstanding.

2. Monthly, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the superior bonds or superior securities coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the superior bonds or superior securities coming due at maturity, or, if any, an amount sufficient to pay the principal of, interest on and any prior redemption premiums due on the outstanding superior bonds or superior securities.

B. Second, and contemporaneously with the transfers required to be made to the 2007 Bond Fund, the 2005 Bond Fund, 2004C Bond Fund, 2004B Bond Fund, 2000 Bond Fund, 1999A Bond Fund, 1999 Bond Fund, and any bond funds for parity bonds hereafter
issued, in accordance with the provisions of the 2007 Bond Ordinance, 2005 Bond Ordinance, 2004C Bond Ordinance, 2004B Bond Ordinance, 2000 Bond Ordinance, 1999A Bond Ordinance, 1999 Bond Ordinance and the requirements of the bond ordinance authorizing any parity bonds hereafter issued, the following transfers shall be credited to the Bond Fund hereby created:

1. Monthly, commencing on the first of the month following the date of delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the Bonds, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Bonds then Outstanding.

2. Monthly, commencing on the first of the month following the date of delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the Bonds coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the Bonds coming due at maturity.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds as the Bond Requirements become due.

Section 605. Termination of Deposits. No payment need be made into the Bond Fund, or if the amount in the Bond Fund totals a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements, to their respective maturities, and both accrued and not accrued, in which case moneys in that account in an amount at least equal to such Bond Requirements shall be used solely to pay such Bond Requirements as the same become due; and
any moneys in excess thereof in that account and any other moneys derived from the Pledged Revenues shall be applied as hereafter provided.

Section 606. Payment of Additional Securities. Third, and subject to the provisions hereinabove in this Article, but either concurrently with or subsequent to the payments required by Section 604 hereof, as provided in Article VIII hereof, any moneys remaining in the Income Fund may be used by the County for the payment of Bond Requirements of additional bonds or other additional securities payable from the Pledged Revenues and hereafter authorized to be issued in accordance with Article VIII and any other provisions herein supplemental thereto, including reasonable reserves for such securities, as the same accrue. The lien of such additional bonds or other additional securities on the Pledged Revenues and the pledge thereof for the payment of such additional securities shall be superior to, on a parity with or subordinate to the lien and pledge of the Bonds as herein provided. Payments for bond, rebate and reserve funds for any superior securities shall be made concurrently with the payments for superior securities required by Section 604 hereof. Payments for bond, rebate and reserve funds for additional parity securities shall be made concurrently with the payments for the Bonds, the 2007 Bonds, the 2005 Bonds, the 2004C Bonds, the 2004B Bonds, the 2000 Bonds, the 1999 Bonds, and the 1999A Bonds required by Section 604 hereof, but payments for bond, rebate and reserve funds for additional subordinate securities shall be made after the payments required by Section 604 and 607 hereof.

Section 607. Payment of Rebate. Fourth, and subject to the provisions hereinabove in this Article and concurrently with the deposits to any rebate funds for the Outstanding parity bonds and any additional parity securities required by any bond ordinances authorizing the issuance of such parity securities hereafter adopted, there shall be transferred into the “Clark County, Nevada, General Obligation (Limited Tax) Public Facilities Refunding Bonds, Series 2009A Rebate Account” hereby created, after making in full the monthly deposits required by Sections 604 and 606, but prior to the transfer of any Pledged Revenues to the payment of subordinate securities, such amounts as are required to be deposited therein to meet the County’s obligations under the covenant contained in Section 922 hereof, in accordance with Section 148(f) of the Tax Code. Amounts in the Rebate Account shall be used for the purpose of making the payments to the United States required by such covenant and Section 148(f) of the
Tax Code. Any amounts in the Rebate Account in excess of those required to be on deposit therein by Section 922 hereof and Section 148(f) of the Tax Code may be withdrawn therefrom and used for any lawful purpose.

Section 608. Use of Remaining Revenues. After the payments hereinabove required to be made in this Article VI are made, any remaining Pledged Revenues in the Income Fund may be used at any time during any Fiscal Year whenever in the Fiscal Year there shall have been credited to the Bond Fund, to the 2007 Bond Fund, to the 2005 Bond Fund, to the 2004C Bond Fund, to the 2004B Bond Fund, to the 2000 Bond Fund, to the 1999A Bond Fund, to the 1999 Bond Fund, to the Rebate Account, and to each other bond fund, rebate fund and reserve fund, if any, for the payment of any other securities payable from the Pledged Revenues, all amounts required to be deposited in those special accounts for such portion of the Fiscal Year, as hereinabove provided in this Article, for any one or any combination of lawful purposes, or otherwise, as the County may from time to time determine.
ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special accounts designated in Articles IV and VI hereof, except for the Escrow Account which shall be administered as provided in the Escrow Agreement, shall be administered as provided in this Article.

Section 702. Places and Times of Deposits. Each of the special accounts hereinabove designated in Articles IV and VI hereof shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor, and the moneys accounted for in such special book accounts shall be deposited in one bank account or more in a commercial bank or commercial banks as determined and designated by the County (except as otherwise expressly stated herein). Nothing herein prevents the commingling of moneys accounted for in any two or more book accounts relating to the Project or any other County accounts in any bank account or any investment in securities hereunder. Each bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then the payment shall be made on or before the next preceding secular day. Notwithstanding any other provision herein to the contrary, moneys sufficient to pay the Bond Requirements then coming due on the Outstanding Bonds shall be deposited with the Paying Agents at least on the day of each interest payment date herein designated and, in any event, in sufficient time to make timely payment of such Bond Requirements.

Section 703. Investment of Moneys. Any moneys in any account designated in Articles IV and VI hereof (except the Escrow Account which shall be invested as set forth in the Escrow Agreement), and not needed for immediate use, may be invested or reinvested by the County Treasurer in any investments permitted under the laws of the State. For the purpose of any such investment or reinvestment, the securities shall be deemed to mature at the earliest date.
on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. **Required and Permissive Investments.** The County Treasurer shall not have any obligation to make any investment or reinvestment hereunder, unless any moneys on hand and accounted for in any one account exceeds $5,000 and at least $5,000 therein will not be needed for a period of not less than 60 days. In that event the County Treasurer shall invest or reinvest in securities to the extent practicable not less than substantially all the amount which will not be needed during such 60-day period, except for any moneys on deposit in an interest-bearing account in any commercial bank, regardless of whether such moneys are evidenced by a certificate of deposit or otherwise, pursuant to Section 707 hereof. The County Treasurer may invest or reinvest any moneys on hand at any time as provided in Section 703 hereof even though he is not obligated to do so.

Section 705. **Accounting for Investments.** The securities purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account resulting from any such investments and reinvestments in securities and from any deposits of moneys in any commercial bank pursuant to this Article shall be credited to that Fund, and any loss in any account resulting from any such investments and reinvestments in securities and from any such deposits in any commercial bank shall be charged or debited to that Fund. No loss or profit in any account on any investments or reinvestments in securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates before the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the County until such gain is realized. Except as otherwise provided in the Escrow Agreement, the expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this Article shall be accounted for as an expense of the Project and charged to the Costs of Issuance Account.
Section 706. **Redemption or Sale of Investment Securities.** The County Treasurer having jurisdiction over moneys designated herein shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any securities and certificates of deposit so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary to do so in order to provide moneys to meet any withdrawal, payment or transfer from such account. The County Treasurer and each other officer of the County shall not be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

Section 707. **Character of Funds.** The moneys in any account herein authorized shall consist either of lawful money of the United States or permitted securities, or both. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any commercial bank pursuant to Section 703 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 708. **Accelerated Payments.** Nothing contained in Article VI hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate provided in Article VI therefor, as the case may be; but no payment shall be so accelerated if such acceleration shall cause the County to default in the payment of any obligation of the County relating to the Pledged Revenues or the Project. Nothing contained herein, in connection with the Pledged Revenues received in any Fiscal Year, requires the accumulation in any account for the payment in the Comparable Bond Year of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of the Bond Requirements due in the Comparable Bond Year, and of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided in Section 604 or elsewhere herein.

Section 709. **Payment of Securities Requirements.** The moneys credited to any account designated in Article VI hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein), or any other preliminaries, to pay
promptly the Bond Requirements payable from such account as such bonds or other securities become due, upon the respective interest payment dates and Redemption Dates, if any, on which the County is obligated to pay the bonds or other securities, or upon the respective interest payment and maturity dates of such bonds or other securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Fund.

Section 710. Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article VI hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon payable from such account but also the prior redemption premiums due in connection therewith, if any, as the same become due, whenever the County shall have exercised or shall have obligated itself to exercise a prior redemption option relating thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In that event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.
ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. **Lien of the Bonds.** The Bonds authorized herein constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Pledged Revenues, subject to and after any superior liens upon such Pledged Revenues of any superior bonds or superior securities.

Section 802. **Equality of Bonds.** The Bonds, the 2007 Bonds, the 2005 Bonds, the 2004C Bonds, the 2004B Bonds, the 2000 Bonds the 1999A Bonds, the 1999 Bonds, and any parity securities hereafter authorized to be issued and from time to time Outstanding are equally and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of the issuance of the Bonds and any other such securities, it being the intention of the County that there shall be no priority among the Bonds and any such parity securities, regardless of the fact that they may be actually issued and delivered at different times.

Section 803. **Issuance of Superior or Parity Securities.** Nothing herein, subject to the limitations stated in Sections 811 and 812 hereof, prevents the issuance by the County of additional bonds or other additional securities payable from the Pledged Revenues and constituting a lien thereon superior to or on a parity with, the lien thereon of the Bonds, nor prevents the issuance of bonds or other securities refunding all or a part of the Bonds (or funding or refunding any other than Outstanding securities payable from Pledged Revenues), except as provided in Sections 807 through 812 hereof; but before any such additional superior or parity bonds or other additional superior or parity securities are authorized or actually issued (excluding any superior or parity refunding securities other than any securities refunding subordinate bonds or other subordinate securities, as permitted in Section 810C hereof):

A. **Absence of Default.** At the time of the adoption of the supplemental instrument authorizing the issuance of the additional securities, the County shall not be in default in making any payments required by Sections 604, 606 or 607 hereof with respect to any superior or parity securities.
B. **Earnings Test.** Except as hereinafter otherwise provided: (1) the Pledged Revenues derived in the Fiscal Year immediately preceding the date of the issuance of the additional superior or parity securities shall have been at least sufficient to pay an amount equal to the combined maximum annual principal and interest requirements (to be paid during any one Bond Year, commencing with the Bond Year in which the additional superior or parity securities are issued and ending on the first day of June of the year in which any then Outstanding Bonds last mature) of the Outstanding Bonds and any other Outstanding superior or parity securities of the County and the bonds or other securities proposed to be issued (excluding the reserves therefor); or, (2) the Pledged Revenues estimated by the Chief Financial Officer, independent feasibility consultant or an Independent Accountant to be derived in the first five Fiscal Years immediately succeeding the issuance of the other additional superior or parity securities proposed to be issued, shall be at least equal to such combined maximum annual principal and interest requirements to be paid during such Comparable Bond Year.

C. **Adjustment of Pledged Revenues.** In any computation of such earnings test as to whether or not additional superior or parity securities may be issued as provided in subsection B of this Section, the amount of the Pledged Revenues for the next preceding Fiscal Year shall be decreased and may be increased by the amount of any loss or gain conservatively estimated by the Chief Financial Officer, independent feasibility consultant or Independent Accountant making the computations under this Section, which loss or gain results from any change in the rate of the levy of that part of the Consolidated Tax constituting a part of the Pledged Revenues which change took effect during the next preceding Fiscal Year or thereafter prior to the issuance of such superior or parity securities, as if such modified rate shall have been in effect during the entire next preceding Fiscal Year, if such change shall have been made by the County before the computation of the designated earnings test but made in the same Fiscal Year as the computation is made or in the next preceding Fiscal Year.

Section 804. **Certification of Revenues.** A written certification or written opinion by the Chief Financial Officer, an independent feasibility consultant or an Independent Accountant, based upon estimates thereby as provided in Section 803B and Section 803C hereof, that the annual revenues when adjusted as hereinabove provided in Section 803C hereof, are sufficient to pay such amounts as provided in Section 803B hereof, shall be conclusively
presumed to be accurate in determining the right of the County to authorize, issue, sell and deliver additional bonds or additional securities superior to or on a parity with the Bonds.

Section 805. **Subordinate Securities Permitted.** Nothing herein, subject to the limitations stated in Sections 811 and 812 hereof, prevents the County from issuing additional bonds or other additional securities payable from the Pledged Revenues having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. **Superior Securities Permitted.** Nothing herein, subject to the requirements stated in Article VIII hereof, prevents the County from issuing additional bonds or other additional securities payable from the Pledged Revenues having a lien thereon prior and superior to the lien thereon of the Bonds; however, such additional superior bonds or other additional superior securities shall not be issued as general obligations of the County.

Section 807. **Issuance of Refunding Securities.** At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the County shall find it desirable to refund any Outstanding Bonds or other Outstanding securities payable from and constituting a lien upon any Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the County’s option upon proper call, unless the owner or owners of all such Outstanding Bonds or other securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 806 and 808 through 812 hereof).

Section 808. **Partial Refundings.** The refunding bonds or other refunding securities so issued, unless issued as subordinate securities, shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

Section 809. **Limitations Upon Refundings.** Any refunding bonds or other refunding securities payable from any Pledged Revenues shall be issued with such details as the County may by instrument provide, subject to the provisions of Sections 811 and 812 hereof, and
subject to the inclusion of any such rights and privileges designated in Section 808 hereof, but
without any impairment of any contractual obligation imposed upon the County by any
proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of
any one or more issues (including, without limitation, the Bonds).

Section 810. Protection of Securities Not Refunded. If only a part of the
Outstanding Bonds and other Outstanding securities of any issue or issues payable from the
Pledged Revenues is refunded, then such securities may not be refunded without the consent of
the owner or owners of the unrefunded portion of such securities:

A. Requirements Not Increased. Unless the refunding securities do
not increase for any Bond Year the annual principal and interest requirements evidenced by the
refunding securities and by the Outstanding securities not refunded on and before the last
maturity date or last Redemption Date, if any, whichever is later, if any, of the unrefunded
securities, and unless the lien of any refunding bonds or other refunding securities on the Pledged
Revenues is not raised to a higher priority than the lien thereon of the bonds or other securities
thereby refunded; or

B. Subordinate Lien. Unless the lien on any Pledged Revenues for
the payment of the refunding securities is subordinate to each such lien for the payment of any
securities not refunded; or

C. Default and Earnings Test. Unless the refunding bonds or other
refunding securities are issued in compliance with Section 803 hereof (including subsections A
through C thereof) and Section 804 hereof.

Section 811. Payment Dates of Additional Securities. Any additional superior,
parity or subordinate bonds or other additional superior, parity or subordinate securities
(including, without limitation, any funding or refunding securities) issued in compliance with the
terms hereof shall bear interest payable at the times and shall mature on the dates designated by
the County in the Supplemental Ordinance authorizing such securities as provided in Section 812
hereof.

Section 812. Supplemental Ordinance. Additional bonds or other additional
securities payable from the Pledged Revenues shall be issued only after authorization thereof by
a supplemental instrument of the County stating the purpose or purposes of the issuance of the
additional bonds or other additional securities, directing the application of the proceeds thereof to such purpose or purposes, directing the execution thereof, and fixing and determining the date, principal amount, maturity or maturities, designation and numbers thereof, the maximum rate or rates of interest to be borne thereby, any prior redemption privileges of the County with respect thereto and other provisions thereof not in conflict with this Ordinance. All additional bonds or other additional securities shall bear such date, shall bear such numbers and series designation, letters or symbols prefixed to their numbers distinguishing them from each other security, shall be payable at such place or places at such times, may be subject to redemption prior to maturity on such terms and conditions, and shall bear interest at such rate or at such different and varying rates per annum, as may be fixed by instrument or other document of the County.
ARTICLE IX

MISCELLANEOUS PROTECTIVE COVENANTS

Section 901.  General.  The County hereby particularly covenants and agrees with the owners of the Bonds and makes provisions which shall be a part of its contract with such owners to the effect and with the purposes set forth in the following provisions and sections of this article.

Section 902.  Performance of Duties.  The County shall faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues and the Project required by the Constitution and laws of the State and the various resolutions, ordinances and other instruments of the County, including, without limitation, the proper segregation of the proceeds of the Bonds and the Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903.  Further Assurances. At any and all times the County, except when otherwise required by law, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues, and other moneys and accounts hereby pledged or assigned, or which the County may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with the Project Act, the Bond Act and all laws supplemental thereto. The County shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every owner of any Bonds against all claims and demands of all Persons whomsoever.

Section 904.  Conditions Precedent. Upon the date of issuance of any Bonds, all conditions, acts and things required by the Constitution or statutes of the State, including without limitation, the Project Act, the Consolidated Tax Act and the Bond Act, or this Ordinance, to exist, to have happened, and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other
obligations of the County, shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 905. **Covenant to Perform.** The County shall observe and perform all of the terms and conditions contained in this Ordinance and the Project Act, the Bond Act and all laws supplemental thereto and shall comply with all valid acts, rules, regulations, orders and directives of any legislative, executive, administrative or judicial body applicable to the Project, to any such other facilities, or to the County.

Section 906. **Protective Security.** The County and the officers, agents and employees of the County shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any owner of any Bond or other security payable from the Pledged Revenues might be prejudicially and materially impaired or diminished.

Section 907. **Accumulation of Interest Claims.** In order to prevent any accumulation of coupons or claims for interest after maturity, the County shall not directly or indirectly extend or assent to the extension of the time for the payment of any coupon or claim for interest on any of the Bonds or any other securities payable from the Pledged Revenues; and the County shall not directly or indirectly be a party to or approve any arrangements for any such extension or for the purpose of keeping alive any of such coupons or other claims for interest. If the time for the payment of any such coupons or of any other such installment of interest shall be extended in contravention of the foregoing provisions, such coupon or installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or the security of this Ordinance, except upon the prior payment in full of the principal of all Bonds and any such other securities then Outstanding and of all matured interest on such securities the payment of which has not been extended.

Section 908. **Prompt Payment of Bonds.** The County shall promptly pay the Bond Requirements of every Bond issued hereunder and secured hereby at the places, on the dates, and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.
Section 909. **Use of Bond Fund.** The Bond Fund shall be used solely, and the moneys credited to such account are hereby pledged, for the purpose of paying the Bond Requirements of the Bonds, subject to the provisions concerning surplus moneys in Sections 605, 608 and 1001 hereof.

Section 910. **Additional Securities.** Any other securities hereafter authorized to be issued and payable from the Pledged Revenues shall not hereafter be issued, unless the additional securities are also issued in conformance with the provisions of Articles VI and VIII hereof.

Section 911. **Other Liens.** Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the Project, or any part thereof, or on or against the Pledged Revenues derived or to be derived.

Section 912. **Corporate Existence.** The County shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the County and is obligated by law to fix and collect the Pledged Revenues as herein provided without adversely affecting to any substantial degree at any time the privileges and rights of any owner of any Outstanding Bond.

Section 913. **Treasurer’s Report.** If the County defaults in paying promptly the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period of 60 days, or if the Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds and any other securities (including all reserves therefor specified in the authorizing proceedings) payable from the Pledged Revenues in the Comparable Bond Year, the County Treasurer shall (a) submit to the Board a report on such deficiency and a proposal setting forth a plan to produce Pledged Revenues in the following Fiscal Year sufficient to pay such amounts, to the extent practicable and (b) submit to the Board quarterly reports on the progress made in implementing the plan so long as such default continues or so long as the Pledged Revenues are less than the amount hereinabove designated in this Section.
Section 914. **Budgets.** The County and officials of the County shall annually and at such other times as may be provided by law prepare and adopt a budget relating to the Project.

Section 915. **Adequacy and Applicability of Consolidated Tax.** There shall be imposed and collected the Consolidated Tax, of which 15% is expected to generate an amount sufficient to produce Pledged Revenues to pay in each Fiscal Year:

A. **Principal, Interest and Reserves.** An amount equal to the sum of the annual principal and interest requirements on the Bonds, the 2007 Bonds, the 2005 Bonds, the 2004C Bonds, the 2004B Bonds, the 2000 Bonds, the 1999A Bonds, the 1999 Bonds, and any other securities payable from the Pledged Revenues in the Comparable Bond Year and any amounts required to be accumulated from the Pledged Revenues in such Bond Year into any reserves for such securities;

B. **Deficiencies.** Any amounts required to meet then existing deficiencies relating to any account relating to the Pledged Revenues or any securities payable therefrom; but the foregoing rate maintenance covenant is subject to compliance by the County with any legislation of the United States or the State or any regulation or other action taken by the Federal Government or any State agency or public body of the State pursuant to such legislation, in the exercise of the police power thereof for the public welfare, which legislation, regulation or action limits or otherwise inhibits the amounts of fees, rates and other charges due to the County as a result of the imposition of the Consolidated Tax, including, without limitation, increases in the amounts of such charges. All of such Pledged Revenues shall be subject to distribution to the payment of the Bond Requirements of all securities payable from the Pledged Revenues, including reasonable reserves therefor, as herein provided and the payment of expenses of the Project.

Section 916. **Collection of Consolidated Taxes.** The Board, on behalf of the County; shall cause the Pledged Revenues, to be collected as soon as reasonable, shall prescribe and enforce rules and regulations or impose contractual obligations for the payment thereof, including without limitation, the imposition of penalties for any defaults, to the end that the Pledged Revenues shall be adequate to meet the requirements of this Ordinance and of any other instruments supplemental hereto.
Section 917. **Levy of Charges.** The County shall continue to establish, fix and levy the rates and other charges which are required by Section 915 hereof, if such action is necessary therefor. No reduction in the initial or existing levy of Consolidated Tax may be made unless:

A. **No Default.** The County has fully complied with the provisions of Article VI hereof for at least the full Fiscal Year immediately preceding such reduction of the rate; and

B. **Sufficient Revenues.** The estimated revenues resulting from the proposed rate, after its proposed reduction, for the Project shall be sufficient in the full Fiscal Year immediately preceding such reduction to meet the obligation of Section 915 hereof.

Section 918. **Records.** So long as any of the Bonds and any other securities payable from the Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the County, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues. Such books shall include (but not necessarily be limited to) monthly records showing:

A. **Receipts.** The revenues received from the Pledged Revenues, and

B. **Expenses.** A detailed statement of the expenditures from the Pledged Revenues.

Section 919. **Maintenance and Inspection of Records.** Any owner of any of the Bonds or any other securities payable from the Pledged Revenues, or any duly authorized agent or agents of such owner, shall have the right at all reasonable times to inspect all records, accounts and data relating thereto, concerning the Pledged Revenues and to make copies of such records, accounts and data.

Section 920. **Tax Levies.** The County annually shall levy, or cause to be levied, General Taxes on all taxable property in the County fully sufficient to pay the Bond Requirements of Outstanding Bonds (and any other indebtedness or other obligations of the County), except to the extent other revenues are available therefor, including, without limitation, the Pledged Revenues pledged for the payment of the Bonds, as the Bond Requirements accrue, reasonable allowance being made for delinquent tax collections anticipated at the time of each levy, at the time and in the manner provided by law for levying other Taxes; and the County and
the Board shall require the officers of the County to levy, extend, and collect General Taxes in the manner provided by law for the purpose of creating funds for the payment of the Bond Requirements of the Bonds, other indebtedness, or general obligations. General Taxes for the Bonds, when collected, shall be kept for and applied only to the payment of the Bond Requirements of the Bonds, as herein provided.

Section 921. Completion of Project. The County, with the proceeds derived from the sale of the Bonds and any other available moneys, shall proceed to cause the Project to be completed without delay to the best of the County’s ability and with due diligence, as herein provided.

Section 922. Tax Covenant. The County covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the County or any project refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Tax Code in calculating corporate alternative minimum taxable income. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met.

Section 923. Continuing Disclosure Undertaking. The County covenants for the benefit of the holders and beneficial owners of the Bonds to comply with the provisions of the final Continuing Disclosure Certificate in substantially the form now on file with the County Clerk, to be executed by the Chief Financial Officer and delivered in connection with the delivery of the Bonds.
ARTICLE X

MISCELLANEOUS

Section 1001. Deferasance. When all Bond Requirements of any Bond have been duly paid, the pledge and lien and all obligations hereunder as to that Bond shall thereby be discharged and the Bonds shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be due payment of any Outstanding Bond or other security when the County has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the Bond or other security, as the same become due to the final maturity of the Bond or other security, or upon any Redemption Date as of which the County shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of the Bond or other security for payment then. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the County and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the owners thereof to assure availability as so needed to meet the schedule. For the purpose of this section “Federal Securities” shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

Section 1002. Delegated Powers. The Chairman of the Board, the Clerk and Treasurer of the County, and other officers and agents of the County hereby are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. Printing Bonds. The printing of the Bonds, including, without limitation, if requested by the Purchaser, a statement of insurance, if applicable, pertaining to the Bonds; and

B. Final Certificates. The execution of such certificates as may be reasonably required by the Purchaser, relating, inter alia, to

(1) The signing of the Bonds,
(2) The tenure and identity of the officials of the County,

(3) The delivery of the Bonds and the receipt of the bond purchase price,

(4) The exclusion of the interest on the Bonds from gross income for federal income tax purposes,

(5) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity therefor, and

(6) The accuracy and completeness of the statements made in the Final Official Statement.

C. Escrow Agreement. The execution of the Escrow Agreement for the Refunded Bonds between the Escrow Bank and the County, substantially in the form as is currently on file with the County, with such amendments and deletions not inconsistent herewith as are agreed to by the Chief Financial Officer.

D. Certificates. The completion and execution of the Certificate of the Chief Financial Officer in accordance with the provisions of this Ordinance and the execution by the Chief Financial Officer of the Continuing Disclosure Certificate.

Section 1003. Statute of Limitations. No action or suit based upon the Bonds or other obligation of the County shall be commenced after it is barred by any statute of limitations relating thereto. Any trust or fiduciary relationship between the County and the owner of any Bonds or other obligee regarding any such other obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bonds are presented for payment or demand for payment of any such other obligation is otherwise made before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit for the collection of which has been barred, shall revert to the Income Fund, unless the County shall otherwise provide by instrument of the County. Nothing herein prevents the payment of any such obligation after any action or suit for its collection has been barred if the County deems it in the best interests of the public to do so and orders such payment to be made.
Section 1004. Evidence of Ownership. Any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the owner of any Bonds or other securities may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by his or her attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the securities, shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner, but the County may, nevertheless, in its discretion require further or other proof in cases when it deems the same desirable:

A. Proof of Execution. The fact and the date of the execution by any owner of any Bonds or other securities or his or her attorney of such instrument may be provided by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Paying Agent and Registrar or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before the notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any securities may be established without further proof if the instrument is signed by an individual purporting to be the president or a vice president of the corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if the instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Ownership. The ownership of any of the Bonds or other securities held by any Persons executing any instrument as a holder of securities, and the numbers, date and other identification thereof, together with the date of
his or her holding the securities, shall be proved by the registration records at the County kept by the Registrar.

Section 1005. Warranty upon Issuance of Bonds. Any Bonds authorized as herein provided, when duly executed and delivered for the purpose provided for in this Ordinance shall constitute a warranty by and on behalf of the County for the benefit of each and every future holder of any of the Bonds that the Bonds have been issued for a valuable consideration in full conformity with law.

Section 1006. Immunities of Purchaser. The Purchaser and any associate thereof are under no obligation to any holder of the Bonds for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions of this Ordinance. The immunities and exemptions from liability of the Purchaser and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 1007. Police Power. Nothing herein prohibits or otherwise limits or inhibits the exercise by the Federal Government, the State, any agency thereof or any public body thereof, including, without limitation, the County, of the police power, i.e., essential governmental powers for the public welfare. The provisions hereof are subject to any proper exercise hereafter of the police power thereby. The County cannot contract away the police power thereof nor limit or inhibit by contract the proper exercise of the police power thereby, and this Ordinance does not purport to do so.

Section 1008. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent so appointed shall resign, or if the County shall reasonably determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, the County may, upon notice mailed to each owner of any Bond at his or her address last shown on the registration records, appoint a successor Registrar or Paying Agent or both. Every such successor Registrar or Paying Agent shall be an officer or employee of the County or a trust bank. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the County shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder. No resignation or dismissal of the Registrar or the Paying Agent may take effect until a successor is appointed.
Any corporation or association into which the Registrar or Paying Agent may be converted or merged, or with which they may be consolidated, or to which they may sell or transfer their corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer, to which they are a party, shall be and become the successor Registrar or Paying Agent under this ordinance, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything in this ordinance to the contrary notwithstanding.
ARTICLE XI

PRIVILEGES, RIGHTS AND REMEDIES

Section 1101. Bondowner’s Remedies. Each owner of any Bond issued hereunder shall be entitled to all of the privileges, rights and remedies provided or permitted in the Project Act and the Bond Act, and as otherwise provided or permitted by law or in equity or by other statutes, except as provided in Sections 207 through 211 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Pledged Revenues and the proceeds of the Bonds.

Section 1102. Right to Enforce Payment. Nothing in this article affects or impairs the right of any owner of any Bond to enforce the payment of the Bond Requirements due in connection with his Bond or the obligation of the County to pay the Bond Requirements of each Bond to the owner thereof at the time and the place expressed in the Bond.

Section 1103. Events of Default. Each of the following events is hereby declared an “event of default”:

A. Nonpayment of Principal and Premium. Payment of the principal of any of the Bonds, or any prior redemption premium due in connection therewith, or both, is not made when the same becomes due and payable, at maturity, on the mandatory redemption dates specified in Section 303B hereof, or by proceedings for optional prior redemption, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on the Bonds is not made when the same becomes due and payable;

C. Incapable to Perform. The County for any reason is rendered incapable of fulfilling its obligations hereunder;

D. Nonperformance of Duties. The County fails to carry out and to perform (or in good faith to begin the performance of) all acts and things lawfully required to be carried out or to be performed by it under any contract relating to the Pledged Revenues, or otherwise, including, without limitation, this Ordinance, and such failure continues for 60 days after receipt of notice from the owners of 10% in principal amount of the Bonds then Outstanding;
E. **Appointment of Receiver.** An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the County appointing a receiver or receivers for the Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the County is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. **Default of Any Provision.** The County makes any default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed, and if the default continues for 60 days after written notice specifying the default and requiring the same to be remedied is given to the County by the owners of 10% in principal amount of the Bonds then Outstanding.

Section 1104. **Remedies for Default.** Upon the happening and continuance of any of the events of default, as provided in Section 1103 hereof, then and in every case the owner or owners or not less than 10% in principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the County and its agents, officers and employees to protect and to enforce the rights of any owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as the owner or owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any owner of any Bond, or to require the County to act as it if were the trustee of an express trust, or any combination of such remedies. All proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds and any parity securities then Outstanding.

Section 1105. **Receiver’s Rights and Privileges.** Any receiver appointed in any proceedings to protect the rights of owners hereunder, the consent to any such appointment being
hereby expressly granted by the County, receive and apply all Pledged Revenues arising after the appointment of the receiver in the same manner as the County itself might do.

Section 1106. Rights and Privileges Cumulative. The failure of any owner of any Outstanding bond to proceed in any manner herein provided shall not relieve the County or any officers, agents or employees thereof of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1107. Duties upon Defaults. Upon the happening of any of the events of default as provided in Section 1103 hereof, the County, in addition, shall do and perform all proper acts on behalf of and for the owners of the Bonds to protect and to preserve the security created for the payment of their Bonds and to insure the payment of the Bond Requirements promptly as the same become due. During any period of default, so long as any of the Bonds issued hereunder, as to any Bond Requirements, are Outstanding, except to the extent it may be unlawful to do so, all Pledged Revenues shall be paid into the Bond Fund, or, in the event of securities heretofore and hereafter issued and Outstanding during that period of time on a parity with the Bonds, shall be paid into the bond accounts for all parity securities on an equitable and prorated basis, and used for the purposes therein provided. If the County fails or refuses to proceed as in this Section provided, the owner or owners of not less than 10% in principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the owners of the Bonds as hereinabove provided; and to that end any such owners of Outstanding Bonds shall be subrogated to all rights of the County under any agreement, lease or other contract the Pledged Revenues entered into before the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

Section 1108. Prejudicial Action Unnecessary. Nothing in this article requires the County to proceed as provided therein if the County determines in good faith and without any gross abuse of its discretion that if the County so proceeds it is more likely than not to incur a net loss rather than a net gain, or the action is otherwise likely to affect materially and prejudicially the owners of the Outstanding Bonds and any Outstanding parity securities.
ARTICLE XII

AMENDMENT OF ORDINANCE

Section 1201. Privilege of Amendments. This Ordinance may be amended or supplemented by instruments adopted by the County in accordance with the laws of the State, without receipt by the County of any additional consideration, but with the written consent of the insurer of the Bonds, if any, or the owners of a majority in aggregate principal amount of the Bonds authorized by this Ordinance and Outstanding at the time of the adoption of the amendatory or supplemental instrument, excluding, pursuant to paragraph (4) of Section 102B hereof, any Bonds which may then be held or owned for the account of the County, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds if the refunding securities are not owned by the County.

Section 1202. Limitations upon Amendments. No such instrument shall permit without the written consent of the insurer of the Bonds, if any, and all owners of the Bonds adversely and materially affected thereby:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any installment of interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond, the rate of interest thereon, or any prior redemption premium payable in connection therewith; or

C. Modifying any Bond. A reduction of the percentages or otherwise affecting the description of Bonds the consent of the owners of which is required for any modification or amendment; or

D. Priorities between Bonds. The establishment of priorities as between Bonds issued and Outstanding under the provisions of this Ordinance; or

E. Partial Modification. The modifications of or otherwise materially and prejudicially affecting the rights or privileges of the owners of less than all of the Bonds then Outstanding.

Section 1203. Notice of Amendment. Whenever the County proposes to amend or modify this Ordinance under the provisions of this Article, it shall cause notice of the
proposed amendment to be given not later than 30 days prior to the date of the proposed enactment of the amendment by mailing to each:

(1) The Insurer of the Bonds, if any,
(2) The Paying Agent,
(3) The Registrar, and
(4) The owner of each of the Bonds Outstanding.

The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the Clerk for public inspection.

Section 1204. Time for Amendment. Whenever at any time within one year from the date of the mailing of such notice, there shall be filed in the office of the Clerk an instrument or instruments executed by the insurer of the Bonds, if any, or the owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument, thereupon, but not otherwise, the County may adopt the amendatory instrument and the instrument shall become effective.

Section 1205. Binding Consent to Amendment. If the insurer of the Bonds, if any, or the owners of at least a majority in aggregate principal amount of the Bonds Outstanding, at the time of the adoption of the amendatory instrument, or the predecessors in title of such owners shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond, whether or not the owner shall have consented to or shall have revoked any consent as in this article provided, shall have any right or interest to object to the adoption of the amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin the County from taking any action pursuant to the provisions thereof.

Section 1206. Time Consent Binding. Any consent given by the owner of a Bond pursuant to the provisions of this Article shall be irrevocable for a period of 6 months from the date of the publication of the notice above provided for in paragraph 2 of Section 1203A hereof, and shall be conclusive and binding upon all future owners of the same Bond during that period. The consent may be revoked at any time after 6 months from the date of the mailing of
the notice, by the owner who gave the consent or by a successor in title by filing notice of the revocation with the Clerk, but the revocation shall not be effective if the insurer of the Bonds, if any, or the owners of a majority in aggregate principal amount of the Bonds Outstanding, before the attempted revocation, consented to and approved the amendatory instrument referred to in the revocation.

Section 1207. Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this Article, the terms and the provisions of this Ordinance or of any instrument amendatory hereof or supplemental hereto and the rights and the obligations of the County, the insurer of the Bonds, if any, and of the owners of the Bonds hereunder may be modified or amended in any respect upon the adoption by the County and upon the filing with the Clerk of an instrument to that effect and with the consent of the insurer of the Bonds, if any, or the owners of all the then Outstanding Bonds, the consent to be given as provided in Section 1004 hereof, and no notice to the insurer of the Bonds, if any, or the owners of Bonds, shall be required as provided in Section 1203 hereof, nor shall the time of consent be limited except as may be provided in the consent.

Section 1208. Exclusion of County’s Bonds. At the time of any consent or of other action taken under this Article, the County shall furnish to the Clerk a certificate of the County Treasurer, upon which the County may rely, describing all Bonds to be excluded, for the purpose of consent or of other action or of any calculation of Outstanding Bonds provided for in this Article, and the County shall not be entitled with respect to such Bonds to give any consent or to take any other action provided for in this Article, pursuant to paragraph (4) of Section 102B hereof

Section 1209. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken in this Article provided may bear a notation by endorsement or otherwise in form approved by the County as to the action; and if any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond Outstanding at such effective date and upon presentation of his or her Bond for the purpose at the principal office of the Secretary, suitable notation shall be made on the Bond by the Secretary as to any such action. If the County so determines, new Bonds so modified as in the opinion of the County to conform to such action shall be prepared, authenticated and delivered; and upon demand of the
owner of any Bond then Outstanding, shall be exchanged without cost to the owner for Bonds then Outstanding upon surrender of the Bonds.

Section 1210. Proof of Ordinances and Bonds. The fact and date of execution of any instrument under the provisions of this Article, the amount and number of the Bonds held by any Person executing the instrument, and the date of his holding the same may be proved as provided by Section 1004 hereof.
